#### I. Administrative

We are thrilled to be named a winner in the National Civic League All America City competition which focused this year on cities that demonstrate a strong partnership seeing housing as a platform to promote strong academic achievement for its youth. This has offered an opportunity to showcase our ECC Believes! initiative and the work done in partnership with our The award was announced during the award celebration on Thursday July 21<sup>st</sup>. Stay tuned for our community-wide celebration!

Congratulations to Commissioner Elmer Rivera who received an award from the Puerto Rican United organization at their annual fundraiser on July 28, 2022 at Amarante's. I was pleased to be on hand to celebrate his leadership at Casa Otonal and his contributions to the Puerto Rican community. Felicidades!

On Tuesday July 26<sup>th</sup> our team gathered to say farewell and send fond wishes to Pamela Heard who retired after 34 years of service. She and her family are relocating to North Carolina. Pam has served our residents well, with care and commitment throughout her tenure. Additionally, she served as a union leader in Local 713 representing her colleagues with diligence and respect. While we wish her the best, we will certainly miss her!

I was invited by the Reagan Institute to present at the Reagan Institute Summit on Education (RISE) re. our innovative approaches to supporting the educational needs of our youth. It was a great opportunity to network and learn from others across this country and to be recognized for the work our team engages in each and every day.

Thank you to our CED team, our Operations team, 360 MGT, Robin Miller-Godwin and all the volunteers who work tirelessly to ensure that our youth are ready for school each year. This year's Annual Back to School celebration again hit the road delivering backpack and school supplies.

#### IV. Community and Economic Development (CED) Monthly Report

#### **CARES Program Highlights**

- 4 Participants were newly employed this month
- 2 Participant enrolled in GED course

#### **CARES Resident Highlights**

• Maurice Boyou- Graduated from the CARES program January 2022. During his time as a market renter, family continued to save and work on their goals of homeownership and become USA citizens. They are excited to share with ECC that both goals were attained. Family closed on their home this month in Trumbull.

#### **FSS Resident Highlights:**

• CS- Is currently in a program extension and while she has managed to maintain suitable employment while working 2 jobs, and has reportedly saved \$5k, she has faced challenges with improving her credit score which is 582 at this time. HOH is interested in homeownership; however, is considering completing the program with economic self sufficiency via employment goal. This is to be assessed at a later date as HOH is hopeful that she can improve her credit score. Coordinator and participant have however discussed the benefit of the \$18,510 escrow account balance which she is eligible for upon successful completion. HOH entered the program with \$15,998 of earned income and is currently earning \$44,873.

#### **ECC Believes Program Highlights**

- CED launched the Summer youth RSYVP program with Alder Honda Smith. Participants completed an orientation and participated in a "Ready to work" workshop to prepare them for a successful experience. All participants are receiving experience in working in the field of carpentry, landscaping, painting, electrical, maintenance, and more. In additional to hands on work, they are completing classroom training on financial wellness and career development.
- CED has welcomed four new STEP students to the ECC/HANH family. We welcomed Teonna Smith, Tyrek Solomon, Angel Taveras, and Mathue Gibson. All students participated in orientation and completed their first DREAM Training. We are excited for these students to start in CED, Operations, and IT.

#### V.Planning and Modernization

#### **HAI Loss Prevention Grants:**

P&M applied for funding 5/31/2022, from HAI, our insurance company, for two reimbursement grants, Fire Loss Prevention, \$78,680, for installation of Fire Suppression Cannisters at each stovetop in our LIPH portfolio, and Storm Damage Prevention, \$770,760, for Tree and Shrub management and removal. Grant awards will be announced this Fall, 2022. This is a cooperative venture with the Planning and Modernization, Finance, and Operations Departments. Work has begun on both projects, each reducing ECC liability risk and making our communities safer.

#### **HUD Emergency Safety and Security Grant:**

P&M is also applying to HUD for funding to address security upgrades at Robert T. Wolfe and George Crawford Manor. The grant would enable our high-rise Elderly and Disabled communities to have the extra layer of security necessary to exclude the influx of an uninvited element. The maximum award per HA annually is \$250,000. Application was submitted June 15, 2022.

#### Lead-Based Paint Capital Fund Program—Lead Grant Funding Years 2017 and 2020

#### **HUD Housing Related Hazards 2020**

• P&M responded to the HUD NOFA for the Housing Related Hazards for Fiscal Year 2020, due May 25, 2021. On September 29, 2021, ECC was awarded \$3,999,993., the highest amount to a Housing Authority, in the nation, to address the following Hazards at Scattered Sites, Essex, Crawford Manor, Wolfe: Smoke and Carbon monoxide, Radon, Mold and Vermin (high-rise buildings). Work will include inspections, testing, installation of equipment, treatments and post-abatement testing, as required. The grant covers abatements in buildings encompassing 402 units. Scheduling/testing has begun with CO & smoke detectors (HUD stated priority), Radon testing and mitigation. Mold is being addressed in conjunction with Lead abatement projects as well as separately. Inspections for the Vermin (Bedbugs, rodents and cockroaches) portion of the grant has begun. A 3<sup>rd</sup> Quarterly benchmark report has been sent to the HUD Washington and our Regional offices.

#### **ECC Lead-Based Paint Capital Fund Projects**

**HUD Lead Grant 2017--**ECC applied for and awarded \$986,260 in Sept 5, 2018:

HUD national office understood the need was greater and put out an additional NOFA.

**HUD Lead Grant 2020**--ECC applied and was awarded an additional \$3,700,000, in May 2021.

#### What we have completed to date:

- Tested all (299) LIPH family property units at risk for Lead Based Paint (Built before 1978).
- Units testing positive for lead were organized by priority in order of importance to address-- Amalgamated Prioritization Chart. Highest priority, units with children under the age of 6 years and actionable levels of lead.
- We are addressing units <u>even if</u> there are no children, now, as these could be rented in the future to a family with young children.
- ECC met with State of Connecticut and HUD Washington Lead Teams to align goals and verify plan of action.
- Immediate action--Completed:
  - > Trained in-house staff to perform Interim Controls and to Follow Lead Safe Renovating practices

- ➤ Interim Controls: Targeted highest priority units, temporarily removing lead dust while design and solicitation process was in progress
  - Highest priority Scattered site properties (10 houses-17 units)
  - McConaughy Terrace exterior source of lead dust--our largest Family development (201 units).
- ➤ Removed Lead painted doors and friction components at McConaughy Terrace...no lead painted doors left at McConaughy Terrace (201 units).
- Design, Abatement and Construction Complete for Lead Abatement in the following properties:
  - o 10 houses (17 units lead safe) in our Scattered Sites West Portfolio. Lead, encapsulated, including replacement of peeling porch components and encapsulation of some siding. These came first as they were highest on our Amalgamated Prioritization Chart.
  - o Essex Townhouses (35 units lead safe) ...all known lead components have been removed, not just encapsulated.
  - o McConaughy (201 units moved to redevelopment effort...however, units all had Interim Controls performed; More permanent Abatement to accompany redevelopment.
- **Redesign:** Upon receipt of the 2<sup>nd</sup> Lead Based Paint grant, design of remaining units were upgraded to remove instead of just encapsulate certain components, keeping to the priorities established by the testing. This was made possible due to the additional HUD funding, and provides residents and ECC a more permanent and lasting solution to the Lead.
- Other Housing Related Hazards: ECC added elimination of other Housing Related Hazards upon receipt of a 3<sup>rd</sup> HUD grant \$3,999,993, where inspections identified significant mold and asbestos to remove.

Solicitations aAwarded in July, 2022 for construction completion December, 2022:

- Group B: 3 Single-Family Houses in the Scattered Site West portfolio Group C: 8 Units in 4 houses in the Scattered Site East portfolio Solicitations out for Bid July, 2022 for Construction Completion January, 2023:
- Group A: 1 house, Scattered Sites East portfolio, Lead, mold and asbestos abatement with site safety and historic preservation requirements
- Solicitation out for Bid September, 2022 for construction start in Spring, 2023:
- **Group D: 21 houses** in the Scattered Sites East portfolio (houses currently without children under the age of 6 years, but needing lead abatement for future family rentals).

Testing has also been performed by the Operations Department in our Elderly and Disabled community high-rise buildings, and Lead was addressed in the areas where children under 6 years were living (common areas). Not part of the Lead Grant work.

**In addition,** ECC is not required to test for Lead in Water as part of the grant, however, ECC in its commitment to Residents, tested for lead in water and has abated any identified lead in water concerns, not using the Lead Grant monies.

**Finally**, as part of the Lead Grant Work, Planning and Modernization is using the abatement work as an opportunity to educate Residents regarding Lead Based Paint exposure and Lead Safe practices to ensure a safer environment for children.

**Testing results** are shared with residents and explained, if needed. State of CT Lead education packet is shared and consultants are available for any technical clarification. Prior to Covid, Lead education packets were available in our lobby. Ongoing Lead Management Plans are being developed for completed Construction projects, as required by the HUD regulations.

#### P&M Projects 2020-2022

- o Scattered Sites: Heating and Gas Conversion: Contract Documents completed. Contract out to bid in September 2019, yielded only one bid, 40% over cost estimate. Re-procurement yielded responsive bid approved by the Board. Construction started April 15, 2021 and original Scope of Work is, 100% complete. Related change order work completed with environmental testing. Final payment and closed out; Reimbursement to the tenants for oil in existing tanks has been completed.
- Crawford Manor: ADA Entrance and Access Improvements and Fire Panel and Fire Pump Replacement: ECC rescinded previously awarded contract due to COVID considerations. Project was repackaged to perform PH1- ADA entry and fire pump renovations. PH 2, Fire Panel replacement work which requires entry into resident units in an Elderly development, was postponed until deemed safe to proceed, due to COVID. Seven (7) bids were received for Phase 1 vestibule and fire pump replacement. In March 2021, Board approved contract award. ADA entry vestibule is completed, and in use. The fire pump is on site. Fire Marshal required a change in electrical panels, a change order which added time. A portion of the work has been paid for by CARES funding. Work extended to March 31, 2022, to accommodate the Fire Department Fire Watch schedule. PH 2, was re-bid, for the Fire Panel and addressable fire alarm system and Life Health and Safety Upgrades. Resolution was brought to the Board of Commissioners, in April. Contract has begun, for January 31, 2023 completion.
- Operations and Planning and Modernization staff completed a survey of critical needs, health, life and safety considerations. Cost estimates were evaluated, and prioritized projects selected for design; bids were solicited, and 2 non-responsive bids submitted. Project resolicited. An elevator consultant was procured to design for elevator repairs, which were procured separately; ECC Indefinite Quantities Architect assisted in approaching repairs in a novel way saving ECC almost \$500,000 on the repairs. Due to COVID, Wolfe Phase 1 excludes work requiring entry into resident units or requiring relocation of residents in an elderly and disabled population; Construction on the community room, laundry room and corridors is completed. The Lobby and ADA entry are proceeding, scheduled for completion in September.. A contract for Phase 2, for resident interior improvements was awarded, and preconstruction surveys completed. 10-unit bathrooms will be replaced and miscellaneous other life health and safety improvements throughout the majority of the residential units. Work began on the 8<sup>th</sup> and 7<sup>th</sup> floors in February, 2022, and has progressed through the 1stfloor. Additional life health and safety items have been identified and are being addressed concurrently.
- McConaughy Terrace: Sanitary and Storm Sewer Improvements; Two (2) bids were received, and the contract was awarded to the lowest responsible bidder. Construction started August 2020, replacing sanitary and storm sewers in sequence; delayed start due to COVID planning for safety of the community. Construction proceeded on schedule, however due to discovery and removal of contaminated soils, a wintertime extension has been given. Additional soil disposal costs and general conditions cost were brought to the BOC. Substantial completion was reached 5/19/2021. This project has replaced all of the damaged and failing storm and sanitary sewer lines which were 70 years old, vastly improving health and safety for the 198 families and 3 communal areas at McConaughy Terrace. Project is closed out.

The contract has been extended for 1 year, with no additional funds to enable ECC the option to request additional reports for development projects.
- Essex Envelope and Site Fencing: Project design completed. Scope of project included roof, gutter, siding, window, AC sleeve, asbestos pipe insulation abatement and fencing replacement. Project scope revised to include only Site fencing and asbestos pipe insulation, as these portions could be addressed without unit entry during COVID. Bids solicited in March for fencing and basement pipe abatement. Six bids received. Scope of work was rebid. Project awarded and pipe insulation abatement is 100% completed. Re-insulation, 100% complete. Site fencing installation was 100% complete, July 22, 2022.
- Essex Envelope and Bathroom and Flooring Upgrades: This project will replace Roofs, Siding, Windows, Gutters and downspouts, provide code required AC sleeves, replace all bathrooms, and some flooring which is all beyond their Estimated Useful Life. This is a major improvement for residents of Essex Townhouses. Due to procurement issues the solicitation was cancelled, and the project put out to bid, again. Project awarded. - 295 Wilmot Road—West Rock Community Center: Structural Engineering study and cost estimate solicited to support Operations. Two areas identified requiring structural shoring. Shoring quotes solicited, with only 1 quote significantly above the independent cost estimate, and therefore, not accepted. Quotes were solicited for the shoring between Buildings 1&2 and a contract has been awarded. As of 3/7/2022, the shoring in the warehouse area has been completed. The Building is in use.

#### MEMORANDUM

**TO:** Board of Commissioners

**DATE:** August 16, 2022

FROM: Karen DuBois-Walton, President

**RE:** Resolution Authorizing the Write - Off of Accounts Receivable of Former

ECC/HANH Tenants of the Federal Public Housing Program Financial Statement

**Reporting Purposes** 

ACTION: Recommend that the Board of Commissioners pass Resolution # 08-42/22-R

TIMING: Immediately

DISCUSSION: ECC/ECC/HANH has accounts receivable balances for individuals that are no longer tenants.

These balances need to be removed from our Financial Reporting systems. In writing these accounts off for financial reporting purposes, the accounts receivable detail will still remain in our Low-Income Housing system for possible collection efforts. The dollar amounts will simply not carry over to the Financial Reporting system, thus lowering the net accounts receivable balance to an amount closer to what is expected to be collected as required under Generally Accepted

Accounting Principles (GAAP) for financial statement reporting.

Any tenant leaving ECC/HANH with an outstanding balance is to be denied re-admission to ECC/HANH and all other PHA's until all outstanding obligations are satisfied. Therefore, information regarding any outstanding accounts receivable will be maintained on Tenant Ledgers in the Low-Income Housing component of our computer system for review and possible reporting as

allowed by HUD.

ECC/HANH is currently carrying a \$7,982.89 balance for 14 vacated tenants from the 3rd Quarter FY 2022, a period ending 06/30/2022. This amount includes residents that are deceased, terminally ill and in nursing homes. It also includes residents that have been evicted or skip leaving no

forwarding address.

FISCAL IMPACT: None

# **President's Report**

To: ECC/HANH Board of Commissioners

From: Karen DuBois-Walton, Ph.D., President

Date: September 20, 2022

# **RE:** President's September 2022 Report

#### I. Administrative

As we enjoy these last days of summer, our thoughts begin to turn to Fall as we see students starting new school years and we begin our preparation for Fall activities.

All our invited as we celebrate the City of New Haven being named as an All-America City by the National Civic League. Team members from the AAC will be in New Haven immediately following our Board meeting to celebrate this honor. Please join us in the community building to the rear of Mill River Crossing. Thank you to all who worked to make this happen.

Our participation and success in the AAC competition has led to other opportunities to showcase our work with youth including presentation at the National Summer Learning Association's roundtable discussion this past week and an upcoming presentation in October at their Annual Conference.

This month we bring to the Board for approval the FY2023 Annual Budget. Thank you to the entire Finance team, led by Jack Rafferty and Natalia Rutenberg and every department who assisted in preparing this year's budget. Having been approved at the Finance Committee, we seek full board approval of the \$132 million annual spending plan.

ECC/HANH recently received notice of the award of 17 new housing vouchers under the Fair Share Voucher Allocation award. Additionally, under the leadership of Coreen Toussaint and the HCV team, we are submitting an application for additional Stability vouchers.

In the news this month, I had the opportunity to highlight our work on the CT Council of Municipalities' podcast. Click here to hear this: https://www.facebook.com/watch/?v=788826928934146. The New Haven Independent covered our new partnership with the CT NAACP and the Million Jobs Campaign. Additionally, the Yale Daily the local housing market. here to sought input on Click read https://yaledailynews.com/blog/2022/09/09/yale-housing-shortages-may-cause-displacement-in-the-elm-city/

# IV. Community and Economic Development (CED) Monthly Report

# **CARES Program Highlights**

- 4 Participants were newly employed this month
- 2 Participant enrolled in GED course

# **CARES Resident Highlights**

• **MB-** Graduated from the CARES program January 2022. During his time as a market renter, family continued to save and work on their goals of homeownership and become USA citizens. They are excited to share with ECC that both goals were attained. Family closed on their home this month in Trumbull.

# **FSS Resident Highlights:**

• CS- Is currently in a program extension and while she has managed to maintain suitable employment while working 2 jobs, and has reportedly saved \$5k, she has faced challenges with improving her credit score which is 582 at this time. HOH is interested in homeownership; however, is considering completing the program with economic self-sufficiency via employment goal. This is to be assessed at a later date as HOH is hopeful that she can improve her credit score. Coordinator and participant have however discussed the benefit of the \$18,510 escrow account balance which she is eligible for upon successful completion. HOH entered the program with \$15,998 of earned income and is currently earning \$44,873.

# **ECC Believes Program Highlights**

- CED launched the Summer youth RSYVP program with Alder Honda Smith. Participants completed an orientation and participated in a "Ready to work" workshop to prepare them for a successful experience. All participants are receiving experience in working in the field of carpentry, landscaping, painting, electrical, maintenance, and more. In additional to hands on work, they are completing classroom training on financial wellness and career development.
- CED has welcomed four new STEP students to the ECC/HANH family. We welcomed Teonna Smith, Tyrek Solomon, Angel Taveras, and Mathue Gibson. All students participated in orientation and completed their first DREAM Training. We are excited for these students to start in CED, Operations, and IT.

# V.Planning and Modernization

# **HAI Loss Prevention Grants:**

P&M applied for funding 5/31/2022, from HAI, our insurance company, for two reimbursement grants, Fire Loss Prevention, \$78,680, for installation of Fire Suppression Cannisters at each stovetop in our LIPH portfolio, and Storm Damage Prevention, \$770,760, for Tree and Shrub management and removal. Grant awards will be announced this Fall, 2022. This is a cooperative venture with the Planning and Modernization, Finance, and Operations Departments. Work has begun on both projects, each reducing ECC liability risk and making our communities safer.

# **HUD Emergency Safety and Security Grant:**

P&M is also applying to HUD for funding to address security upgrades at Robert T. Wolfe and George Crawford Manor. The grant would enable our high-rise Elderly and Disabled communities to have the extra layer of security necessary to exclude the influx of an uninvited element. The maximum award per HA annually is \$250,000. Application was submitted June 15, 2022.

# Lead-Based Paint Capital Fund Program—Lead Grant Funding Years 2017 and 2020

# **HUD Housing Related Hazards 2020**

• P&M responded to the HUD NOFA for the Housing Related Hazards for Fiscal Year 2020, due May 25, 2021. On September 29, 2021, ECC was awarded \$3,999,993., the highest amount to a Housing Authority, in the nation, to address the following Hazards at Scattered Sites, Essex, Crawford Manor, Wolfe: Smoke and Carbon monoxide, Radon, Mold and Vermin (high-rise buildings). Work will include inspections, testing, installation of equipment, treatments and post-abatement testing, as required. The grant covers abatements in buildings encompassing 402 units. Scheduling/testing has begun with CO & smoke detectors (HUD stated priority), Radon testing and mitigation. Mold is being addressed in conjunction with Lead abatement projects as well as separately. Inspections for the Vermin (Bedbugs, rodents and cockroaches) portion of the grant has begun. A 3<sup>rd</sup> Quarterly benchmark report has been sent to the HUD Washington and our Regional offices.

# **ECC Lead-Based Paint Capital Fund Projects**

HUD Lead Grant 2017--ECC applied for and awarded \$986,260 in Sept 5, 2018:

HUD national office understood the need was greater and put out an additional NOFA.

HUD Lead Grant 2020--ECC applied and was awarded an additional \$3,700,000, in May 2021.

# What we have completed to date:

- Obligated all \$986,260, 2017 LBP Grant funding by 9/6/2022 deadline.
- Tested all (299) LIPH family property units at risk for Lead Based Paint (Built before 1978).
- Units testing positive for lead were organized by priority in order of importance to address-- Amalgamated Prioritization Chart. Highest priority, units with children under the age of 6 years and actionable levels of lead.
- We are addressing units even if there are no children, now, as these could be rented in the future to a family with young children.
- ECC met with State of Connecticut and HUD Washington Lead Teams to align goals and verify plan of action.
- Immediate action--Completed:
  - > Trained in-house staff to perform Interim Controls and to Follow Lead Safe Renovating practices
  - ➤ Interim Controls: Targeted highest priority units, temporarily removing lead dust while design and solicitation process was in progress
    - Highest priority Scattered site properties (10 houses-17 units)
    - McConaughy Terrace exterior source of lead dust--our largest Family development (201 units).
  - Removed Lead painted doors and friction components at McConaughy Terrace...no lead painted doors left at McConaughy Terrace (201 units).
- Design, Abatement and Construction Complete for Lead Abatement in the following properties:
  - o 10 houses (17 units lead safe) in our Scattered Sites West Portfolio. Lead, encapsulated, including replacement of peeling porch components and encapsulation of some siding. These came first as they were highest on our Amalgamated Prioritization Chart.
  - o Essex Townhouses (**35 units lead safe**) ...all known lead components have been removed from 32 units, not just encapsulated. Of the remaining 3 units, all have encapsulated lead, some to be removed in the new Essex Envelope Scope of work, in the process of window replacement.
  - o McConaughy (201 units moved to redevelopment effort...however, units all had Interim Controls performed; More permanent Abatement to accompany redevelopment.

- **Redesign:** Upon receipt of the 2<sup>nd</sup> Lead Based Paint grant, design of remaining units were upgraded to remove instead of just encapsulate certain components, keeping to the priorities established by the testing. This was made possible due to the additional HUD funding, and provides residents and ECC a more permanent and lasting solution to the Lead.
- Other Housing Related Hazards: ECC added elimination of other Housing Related Hazards upon receipt of a 3<sup>rd</sup> HUD grant \$3,999,993, where inspections identified significant mold and asbestos to remove.

# Solicitations Awarded in July, 2022 for construction completion December, 2022:

- Group B: 3 Single-Family Houses in the Scattered Site West portfolio
- Group C: 8 Units in 4 houses in the Scattered Site East portfolio--Solicitations out for Bid July, 2022 for Construction Completion January, 2023:

Testing has also been performed by the Operations Department in our Elderly and Disabled community high-rise buildings, and Lead was addressed in the areas where children under 6 years were living (common areas). Not part of the Lead Grant work.

**In addition,** ECC is not required to test for Lead in Water as part of the grant, however, ECC in its commitment to Residents, tested for lead in water and has abated any identified lead in water concerns, not using the Lead Grant monies.

**Finally**, as part of the Lead Grant Work, Planning and Modernization is using the abatement work as an opportunity to educate Residents regarding Lead Based Paint exposure and Lead Safe practices to ensure a safer environment for children.

**Testing results** are shared with residents and explained, if needed. State of CT Lead education packet is shared and consultants are available for any technical clarification. Prior to Covid, Lead education packets were available in our lobby. Ongoing Lead Management Plans are being developed for completed Construction projects, as required by the HUD regulations.

# P&M Projects 2020-2022

- o **Scattered Sites: Heating and Gas Conversion:** Contract Documents completed. Contract out to bid in September 2019, yielded only one bid, 40% over cost estimate. PH 2, Fire Panel replacement work which requires entry into resident units in an Elderly development, was postponed until deemed safe to proceed, due to COVID. Seven (7) bids were received for Phase 1 vestibule and fire pump replacement. In March 2021, Board approved contract award. ADA entry vestibule is completed, and in use. The fire pump is on site. Fire Marshal required a change

- in electrical panels, a change order which added time. A portion of the work has been paid for by CARES funding. Work extended to March 31, 2022, to accommodate the Fire Department Fire Watch schedule. PH 2, was re-bid, for the Fire Panel and addressable fire alarm system and Life Health and Safety Upgrades. Resolution was brought to the Board of Commissioners, in April. Contract has begun, for May, 2023 completion. Time extended due to long lead times on equipment.
- O Robert T. Wolfe Renovations: A team of architects, engineers, environmental consultants, Operations and Planning and Modernization staff completed a survey of critical needs, health, life and safety considerations. Cost estimates were evaluated, and prioritized projects selected for design; bids were solicited, and 2 non-responsive bids submitted. Project resolicited. An elevator consultant was procured to design for elevator repairs, which were procured separately; ECC Indefinite Quantities Architect assisted in approaching repairs in a novel way saving ECC almost \$500,000 on the repairs. Due to COVID, Wolfe Phase 1 excludes work requiring entry into resident units or requiring relocation of residents in an elderly and disabled population; Construction on the community room, laundry room and corridors is completed. The Lobby and ADA entry are proceeding, scheduled for completion in September. A contract for Phase 2, for resident interior improvements was awarded, and preconstruction surveys completed. 10-unit bathrooms will be replaced and miscellaneous other life health and safety improvements throughout the majority of the residential units. - McConaughy Terrace: Sanitary and Storm Sewer Improvements; Two (2) bids were received, and the contract was awarded to the lowest responsible bidder. Construction started August 2020, replacing sanitary and storm sewers in sequence; delayed start due to COVID planning for safety of the community. Construction proceeded on schedule, however due to discovery and removal of contaminated soils, a wintertime extension has been given. Additional soil disposal costs and general conditions cost were brought to the BOC. Substantial completion was reached 5/19/2021. This project has replaced all of the damaged and failing storm and sanitary sewer lines which were 70 years old, vastly improving health and safety for the 198 families and 3 communal areas at McConaughy Terrace. Project is closed out.
- O Physical Needs Assessments: P&M solicited the services of architects and engineers to provide Physical Needs Assessments (PNAs) and Capital Needs Assessments for RAD which are recommended for planning capital and development projects. Procurement scheduled virtual interviews with both respondents. A contractor was selected and approved by the BOC, June 2021. All site inspections for the original scope have been completed. Reports are finalized. These include individual Replacement Reserves for each of the Scattered Site properties, which is a new and more practical approach. Resident youth was hired as part of the consultants' Section 3 commitment to assist on the project. The contract has been extended for 1 year, with no additional funds to enable ECC the option to request additional reports for development projects. A report for Eastview I is currently underway.
- Essex Envelope and Site Fencing: Project design completed. Scope of project included roof, gutter, siding, window, AC sleeve, asbestos pipe insulation abatement and fencing replacement. Project scope revised to include only Site fencing and asbestos pipe insulation, as these portions could be addressed without unit entry during COVID. Bids solicited in March for fencing and basement pipe abatement. Six bids received. Scope of work was rebid. Project awarded and pipe insulation abatement is 100% completed. Re-insulation, 100% complete. Site fencing installation was 100% complete, July 22, 2022; Contract is being extended to allow for new fencing to be temporarily removed under warranty to allow siding replacement.

- Essex Envelope and Bathroom and Flooring Upgrades: This project will replace Roofs, Siding, Windows, Gutters and downspouts, provide code required AC sleeves, replace all bathrooms, and some flooring which is all beyond their Estimated Useful Life. This is a major improvement for residents of Essex Townhouses. Due to procurement issues the solicitation was cancelled, and the project put out to bid, again. Project awarded. Construction on site has begun on the roofs. Windows and doors are on site.. Work will proceed on the envelope, roof, siding, windows and follow up with interior work, only when all materials have been received. In response to long lead time item schedules some exterior work will begin which does not require resident relocation. Scheduled for construction completion, March, 2023.

Shoring quotes solicited, with only 1 quote significantly above the independent cost estimate, and therefore, not accepted. #### MEMORANDUM

TO: Board of Commissioners

DATE: September 20, 2022

FROM: Karen DuBois-Walton, President

RE: Approving the FY2023 (October 1, 2022 – September 30, 2023)

Elm City Communities Agency-Wide Budget

**ACTION:** Recommend that the Board of Commissioners adopt Resolution #

09-46/22-R

**TIMING:** Immediately

**DISCUSSION:** Elm City Communities (ECC) performs a budget process each year.

The ECC Budget includes anticipated spending for both the Moving to Work (MTW) block grant and non-MTW programs as follows:

MTW includes Low Income Public Housing Program (LIPH), Housing Choice Voucher (HCV) program and Veterans Affairs Supportive Housing (VASH) Voucher Program and Capital Fund

Program (CFP).

Non-MTW includes Family Self-Sufficiency (FSS), Resident Opportunity and Supportive Services (ROSS), Business Activities

and the Central Office Cost Center (COCC).

ECC's Budget also includes two discretely presented component units – Glendower and 360 Management. However, it does not include the tax credit and redeveloped sites, in which ECC has a negligible to no ownership. The tax credit properties, such as Eastview Terrace, Fair Haven, RAD Group I, etc. are separate legal entities from ECC and have separate budgets, different approval process, and are on a different budget cycle than ECC.

# The ECC Budget Summary for FY2023 is as follows:

# FY 2023 Budgeted Revenues

HANH	LIPH	\$12,731,120				
	HCV	\$94,549,187				
	CFP	\$8,228,563				
	Non-MTW	\$20,508,942				
	Mgmt Fees / Expenses	(\$10,444,226)				
HANH	Subtotal	\$125,573,587				
Glendower	Operating	\$2,647,426				
360 Management	Operating	\$4,997,809				
		(688,450)				
Mgmt Fees/Expenses fo	Mgmt Fees/Expenses for Glendower & 360 Mgmt					
Grand Total		\$132,530,371				

The FY 2023 Budgets for the Housing Authority of New Haven (HANH) are presented "in balance", i.e., total revenues equal to total expenses. Included in the budgeted expenses are the following assumptions:

1. Total of 241 RAD units are planned to be converted from public housing to project-based vouchers program as follows:

McConaughy	201
Valley	40

- Public Housing will have a remaining inventory of 496 units and 307 public housing units managed by the third parties for a total of 803 units.
- Including 1,131 units that had already been converted to RAD, the above conversions will bring a total RAD unit to 1,372.
- 360 Mgmt is operating 1,372 units after the transfer of McConaughy (201), and Valley (40).
- A total of 342 RAD units is managed by Third Parties.
- 2. The Low-Income Public Housing (LIPH) operating subsidies of \$11,481,723 are calculated based on 803 units (excluding 17 units of Val Macri) with the assumption of 92.0% proration factor. As required by the U.S. Department of Housing and Urban Development (HUD), project-based budgets by the Asset Management Projects (AMPs) are included in the FY 2023 Budget detail.

- 3. Housing Choice Vouchers (HCV)'s revenue is estimated in the amount of \$94,549,187 with the assumption of 97.5% proration factor HAP of \$85,499,259 and Administrative Fee of \$8,249,928. This funding also reflects the RAD conversion subsidized by HUD for the project-based vouchers. The budget includes HCV lease up projections by months. Housing Assistance Payments expenditures are projected to be \$75,439,660 for FY 2023 for an average of 5,970 units in FY2023 (5,789 funded by HCV and 181 units funded by LIPH for conversion). The average of 5,789 units funded by HCV is projected to meet HUD's 90% targeted lease-up recommendation.
- 4. Capital Fund Program is budgeted for \$8,228,563, which includes debt service payment and capital improvements for various public housing sites.
- 5. A total of \$7,037,773 is funded from the MTW HCV Funds for the following development activities:
  - a) \$1,000,000 of Valley development costs
  - b) \$3,737,773 for McConaughy 4% & 9% development costs
  - c) \$ 500 000 for St. Lukes development costs
  - d) \$1,000,000 for 34 Level Street development costs
  - e) \$ 800,000 for EVT Capital needs
- 6. Central Office Cost Center (COCC) includes the Executive Office, Legal, Asset Management, Finance, Human Resources, Information Technology, Planning & Development, Central Operations for public housing and Community Economic Development.
  - COCC has a total revenue of \$11,616,277, which includes the earned management fee from various programs estimating \$11,110,260.
  - Total operating expenses are \$10,895,065 yielding a projected surplus of \$721,213 after depreciation expense.
- 7. The above Agency-Wide budgets include two discretely presented component units Glendower and 360 Management.
  - Glendower is projected with a total revenue of \$2,647,426, which includes the developer's fees of \$2,556,905 in FY 2023; total expenses are \$2,007,509 which yields a net surplus of \$639,916.
  - Glendower has a total development budget exceeding \$440 million. Approximately \$39 million is leveraged by HANH's MTW Funds over the life of the RAD/Development projects. Included in FY 2023 Budgets are the leverage of \$7,037,773 provided by HANH's MTW funds.
  - 360 Management submitted a budget with total operating expenses in the amount of \$4,997,809. To balance the FY 2023 budget, it requires a loan from HANH in the amount of \$145,725. Note that the Board has previously approved two resolutions (May 2017 and May 2021) providing a loan in the amount of \$2.8 million to 360 Management to supplement the start-up operations.

FISCAL IMPACT: \$132,530,371 for the FY 2023 Operating Budgets

#### MEMORANDUM

TO: Board of Commissioners

**DATE:** September 20, 2022

FROM: Karen DuBois-Walton, Ph.D., President

RE: Resolution Authorizing Change Order #4 and Change Order #5 to

Essex Fencing Improvements and Basement Abatement Contract with Elm City Carpentry, LLC in the Combined Amount Not to Exceed \$13,994.58 for Additional Sections of Fence and Posts Extending

**Contract Time Until December 20, 2022** 

ACTION: Recommend that the Board of Commissioners adopt Resolution

Number 09-47/22-R

TIMING: Immediately

DISCUSSION: At Essex Townhouses, 1134 Quinnipiac Avenue, ECC/HANH

determined a need to replace privacy fencing around rear patios

and along a portion of the property line, remove asbestoscontaining pipe insulation, and install new insulation in apartment

basements.

Following a public bid solicitation, in August 2021, the Board of Commissioners authorized award of Contract #PM-21-C-508 for Essex Fencing Improvements and Basement Abatement to Elm City Carpentry, LLC who submitted the most responsive and

responsible bid in the amount of \$289,000.00.

ECC/HANH approved Change Order #1 extending contract time until June 16, 2022, to allow for COVID delays and Change Order #2 in the amount of \$22,381.60 for additional basement pipe insulation that exceeded the allowance quantity included in the contract. Following authorizing of Change Order #2, the adjusted contract value increased from \$289,000.00 to \$311,381.60.

On May 17, 2022, the Board of Commissioners authorized approval of Change Order #3 for providing boards on both the inner and outer surfaces of the fence in a shadow box style instead of the outer only surface as specified, providing a stronger, more attractive fence in the amount not to exceed \$14,371.97 bringing the adjusted contract value from \$311,381.60 to \$325,753.57.

ECC/HANH is now requesting authorization for Change Order #4 to remove and replace a section of fence at the trash enclosure in the amount of \$5,577.31 and Change Order #5 to remove and replace 7 fence posts and 7 sections of fence in the amount of \$8,417.27 to work in tandem with the Essex Roof and Siding work to create a laydown area for BRD roof and siding materials and to create access to siding so the siding contractor can install per industry standard and maintain warranty. In addition, this work would require extending contract time until December 20, 2022. Following authorization of Change Order #4 and Change Order #5, the adjusted contract value will be \$339,748.15.

In accordance with resolution #10-129/18-R for the Revised Procurement Policy approved by the Board of Commissioners on October 16, 2018, all Contracts greater than \$150,000.00 inclusive of all optional years and all Change Orders and amendments in excess of 10% or \$50,000.00 (whichever is higher) and which result in a total contract greater than \$150,000.00 must be approved by the Board of Commissioners prior to execution. We request Board of Commissioners authorization to execute Change Order #4 to replace a section of fence at the trash enclosure in the amount of \$5,577.31 and extend contract time until December 20, 2022, and Change Order #5 to remove and replace 7 fence posts and 7 sections of fence in the amount of \$8,417.27 to contract #PM-21-C-508 with Elm City Carpentry, LLC bringing the adjusted contract value from \$325,753.57 to \$339,748.15 with contract time until December 20, 2022.

These combined changes were under 10% and did not require prior Board approval. Following authorization of Change Order #6, the adjusted contract value increased from \$1,919,761.30 to \$2,109,378.84.

#### Information Request / Description:

In regards to detail 9 on A502 the plans call for Roll Roofing to be installed on the crickets. The existing conditions or EDPM and theis is the better option for the crickets. DWhat would you like us to do, either remove the EDPM and put down roll roofing or remove the existing EDPM and install a new EDPM?

#### Suggestion:

To maintain a warranty over the entirety of the roof it is suggested that a new EDPM be install where the crickets call for roll roofing due to the slope of the crickets. If the existing EDPM roof is going to remain then BRD Builders' sub Best CT Roofing will not warranty the crickets and the roofing in the immeadiate vacinty of the crickets due to the age of the EDPM and the fact it is not their work.

DUE TO UNKNOWN SITE CONDITIONS BRD IS HEREBY GIVEN DIRECTION TO PROVIDE PRICING FOR THE INSTALLATION OF A GAF 60 MIL TPO ROOFING SYSTEM AS SHOWN IN CSK-05 (ATTACHED).

### Chapter 4

### APPLICATIONS, WAITING LIST AND TENANT SELECTION

### INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides ECC/HANH with the information needed to determine the family's eligibility. HUD requires ECC/HANH to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, ECC/HANH must select families from the waiting list in accordance with HUD requirements and ECC/HANH policies as stated in the administrative plan and the Annual Plan.

ECC/HANH is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or ECC/HANH that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that ECC/HANH affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that ECC/HANH will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and ECC/HANH policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

<u>Part I: The Application Process</u>. This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how ECC/HANH will handle the applications it receives.

<u>Part II: Managing the Waiting List</u>. This part presents the policies that govern how ECC/HANH's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process ECC/HANH will use to keep the waiting list current.

<u>Part III: Selection for HCV Assistance</u>. This part describes the policies that guide ECC/HANH in selecting families for HCV assistance as such assistance becomes available. It also specifies how interviews will be used to ensure that ECC/HANH has the information needed to make a final eligibility determination.

### PART I: THE APPLICATION PROCESS

### 4-I.A. OVERVIEW

This part describes ECC/HANH policies for making applications available, accepting applications, making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes ECC/HANH's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

### 4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 - 4-16, Notice PIH 2009-36]

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits ECC/HANH to determine the format and content of HCV applications, as well how such applications will be made available to interested families and how applications will be accepted by ECC/HANH. ECC/HANH must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of ECC/HANH's application.

### ECC/HANH Policy

When opening the waiting list, ECC/HANH will publicly announce the accepting of applications (see Section 4-II-C).

Families may apply for the wait list through the ECC/HANH Applicant portal at https://ecc.myhousing.com. If the applicant needs a reasonable accommodation to complete the pre-application, the applicant may contact the Reasonable Accommodation Manager at 203-498-8800 x1507. Application forms can also be obtained at the ECC/HANH websiteHANH website at www.elmcitycommunities.org or United Way's 211 Info line at <a href="http://www.cthcvp.org">http://www.cthcvp.org</a>.

A family may request to pick up an application form at the agency offices or to have the application mailed to them as a reasonable accommodation.

All applications received via mail will be date and time stamped. Mailed applications will be added to the waitlist based on the date and time that they are stamped as received.

Only one application will be accepted per family; duplicate applications will be discarded.

Applications received after the published deadline date will be rejected.

Completed applications must be submitted via the Wait List portal. Applications must be complete in order to be accepted by the ECC/HANH for processing.

The Applicant Portal does not allow incomplete applications to be submitted through the portal. If a pre-application submitted in any way other than the portal is incomplete, the ECC/HANH will not accept the application but will instead notify the applicant by mail or email, if applicable, that the application is incomplete and has been denied.

An applicant whose application has been denied for being incomplete or for not meeting the published application criteria will be provided with the opportunity to appeal ECC/HANH's decision that the application was incomplete or for not meeting the published application criteria within 10 business days of the notice of application denial.

### 4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

### Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]

ECC/HANH must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). ECC/HANH must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or ECC/HANH must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of ECC/HANH's policies related to providing reasonable accommodations for people with disabilities.

## **Limited English Proficiency**

ECC/HANH is required to take reasonable steps to ensure equal access to our programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on ECC/HANH's policies related to ensuring access to people with limited English proficiency (LEP).

### 4-I.D. PLACEMENT ON THE WAITING LIST

ECC/HANH must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, ECC/HANH must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

### Ineligible for Placement on the Waiting List

### ECC/HANH Policy

The Applicant Portal does not allow incomplete applications to be submitted. If an application is incomplete, the applicant will not be able to submit the application until the application is completed with all required information. If a pre-application submitted in any way other than the portal is incomplete, ECC/HANH will not accept the application but will instead notify the applicant by mail or email, if applicable, that the application is incomplete and give an opportunity to complete the application.

Applicants will not be screened for ineligibility at the pre-application stage. Screening for ineligibility will occur at the time of tenant selection at the full application stage.

### Eligible for Placement on the Waiting List

### ECC/HANH Policy

The ECC/HANH HCV wait list will remain open.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Formatted: Highlight

Applicants will be placed on the waiting list in a pool, by ranked preference, pending selection (see Section 4-III-C).

### PART II: MANAGING THE WAITING LIST

### 4-II.A. OVERVIEW

ECC/HANH must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how ECC/HANH may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

### 4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]

ECC/HANH's HCV waiting list must be organized in such a manner to allow ECC/HANH to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- · Family unit size;
- Date and time of application;
- Qualification for any local preference;
- Racial or ethnic designation of the head of household.

HUD requires a PHA to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

### ECC/HANH Policy

ECC/HANH will maintain a single waiting list for the HCV program.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program ECC/HANH operates if \_\_\_

- 1) the other programs' waiting lists are open
- 2) the family is qualified for the other programs

HUD permits, but does not require, that ECC/HANH maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

### ECC/HANH Policy

The ECC/HANH maintains a single HCV waiting list for Tenant Based Vouchers (TBV) and Project Based Vouchers (PBV) and will not merge the waiting list for any other program the ECC/HANH operates.

### 4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

### **Closing the Waiting List**

ECC/HANH is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, ECC/HANH may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

### ECC/HANH Policy

ECC/HANH will continuously accept applications through its online portal. ECC/HANH may close the waiting list when the estimated waiting period for housing assistance for applicants on the list reaches 24 months for the most current applicants.

ECC/HANH will keep its waiting list open for priority preferences or a referral based preference waiting list (see below).

Where ECC/HANH has funding criteria that require a specific category of family, ECC/HANH may elect to continue to accept applications from these applicants while closing the waiting list to others. This includes ECC/HANH Special Programs, income targeting and Efforts to end Homelessness TBV and PBV initiatives.

All advertisements will be made in English and other languages as dictated by the needs of the local market area.

When the waiting list is closed, ECC/HANH will not maintain a list of individuals who wish to be notified when the waiting list is reopened.

### Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until ECC/HANH publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

### ECC/HANH Policy

ECC/HANH's waiting list will always remain open for families:

- 1. Displaced by Government Action
  - i. Displacement as the result of ECC/HANH planned development/demolition/disposition activity, including from buildings condemned for health and safety reasons, and including from ECC/HANH public housing units undergoing demolition/disposition, if such action is under a Uniform Relocation Act (URA)
  - ii. Displacement as the result of a local natural disaster and/or condemnation of a property or dwelling for health and safety reasons;

- iii. Displacement as defined by US Department of Housing and Urban Development as the result of a natural disaster or event defined Emergency event resulting in the displacement of persons needing housing assistance.
- Reasonable Accommodation for disability issues under the Fair Housing Act for residents currently residing in an ECC/HANH public housing unit who require an accessible unit as a reasonable accommodation where ECC/HANH is unable to accommodate the need through the transfer to another ECC/HANH public housing unit.
- 3. Violence Against Women Act (VAWA) for applicants on the LIPH waitlist and LIPH residents who are victims of domestic violence, dating violence, sexual assault or stalking including LIPH resident and applicant families claiming protections under the Violence Against Women Act (VAWA), See the VAWA preference policy for more information;
- 4. In a documented Witness Protection Program;
- 5. Currently residing in ean ECC/HANH public housing unit, LIHTC/PBV or RAD/PBV unit who are in a situation involving crime and safety, where transfer of the current Low Income Public Housing family to another public housing. LIHTC/PBV or RAD/PBV development does not meet the needs of ECC/HANH public housing residents the family due to other situations involving crime and safety; and.
- 6. Families who are applicants/referrals for project-based or tenant based supportive housing programs
- 7. Homeless preference for families/referrals for project-based or tenant-based Efforts to end Homelessness TBV and PBV initiatives
- 5.8.Families who are applicants/referrals for the Emergency Housing Vouchers (EHV)

ECC/HANH will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

ECC/HANH will give public notice by publishing the relevant information in suitable media outlets including the following newspapers, minority publications, and media entities:

New Haven Register, Inner City, The City of New Haven's Office on Disabilities, and the State of Connecticut website.

### The notice will contain:

- When the waiting list will be open;
- The deadline for receipt of applications;
- How and where to apply (see Section 4-I.B);
- The programs for which applications will be taken;
- A brief description of the program;
- ECC/HANH's preferences; and,

• Limitations, if any, on who may apply.

### 4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]

ECC/HANH must conduct outreach as necessary to ensure that ECC/HANH has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires ECC/HANH to admit a specified percentage of extremely low-income families to the program (see Chapter 4, Part III), ECC/HANH may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

ECC/HANH's outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

ECC/HANH's outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- · Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low-income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

## ECC/HANH Policy

The ECC/HANH will monitor the characteristics of the population being served and the characteristics of the population as a whole in ECC/HANH's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

## 4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

### ECC/HANH Policy

While the family is on the waiting list, the family must immediately inform the ECC/HANH of changes in contact information, including current residence, mailing

address, phone number and family composition. The changes must be submitted in writing.

### 4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]

HUD requires ECC/HANH to establish policies to use when removing applicant names from the waiting list.

### **Purging the Waiting List**

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to ean ECC/HANH request for information or updates, and ECC/HANH determines that the family did not respond because of the family member's disability, ECC/HANH must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

The primary goal in purging a waiting list is to obtain current information on interested applicants and to remove applicants no longer interested in participating in the program. Also purging the waiting lists prevents delays in leasing activities.

Formatted: Space Before: 0 pt, Don't adjust space between Latin and Asian text, Don't adjust space between Asian text and numbers

### ECC/HANH Policy

The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

ECC/HANH will consider the following factors when deciding to purge/update the waiting list and may decide to purge a portion of the Waiting List at a given time.

- The number of applicants expected to be selected within a reasonable time, i.e 12-24 months
- Removing families who are no longer interested or eligible to participate in the HCV program

To purge the waiting list, ECC/HANH will send a purge letter via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the HCV -program.

The-purge letter will be sent to the last address that ECC/HANH has on record for the family. The-purge letter will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

ECC/HANH may also send an email to the applicant to the email address on record in an effort to purge the waitlist and maintain a current and active waiting list.

Applicants must complete a new preliminary application or form providing all the information needed for remaining on the applicable placement on the waiting list, such as address, phone number, household composition, income, and email address if applicable. The applicant must indicate that they wish to remain the specific waiting list or if they wish to be removed.

If no response is received by the deadline, the applicant is removed from the Waiting List and a copy of the original letter shall be maintained in the file with a note indicating the date and reason for removing the applicant from the Waiting List.

The family's response must be in writing and may be delivered in person or by mail. Responses should be postmarked or received by ECC/HANH not later than 15 business days from the date of ECC/HANH's letter.

If the family fails to respond within 15 business days, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office marked undeliverable or with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be resent to the address indicated. The address will be updated accordingly. The family will have 15 business days to respond from the date the letter was re-sent. If the family fails to respond within this time frame, the family will be removed from the waiting list without further notice. The returned mail must be filed in the file.

When a family is removed from the waiting list during the purge process for failure to respond, no informal hearing will be offered. Such failures to act on the part of the applicant prevent ECC/HANH from making an eligibility determination; therefore, no informal hearing is required.

If a family is removed from the waiting list for failure to respond, ECC/HANH may reinstate the family if the lack of response was due to ECC/HANH error, or to circumstances beyond the family's control to include but limited to, hospitalization, delayed mail delivery, or other reasonable accommodation circumstances.

The removal must be documented in the file. A copy of the original letter should be included in the file with a note indicating the date and reason for the removal.

Due to the length of the waiting list, it may not be cost effective to purge the entire waiting list at one time. ECC/HANH will have the discretion to purge a portion of the waiting list in order to have current information on those applicant families that may be likely to reach the top of the waiting list in the next 12 months.

ECC/HANH may determine to conduct a purge with in-house staff or contracting out the service to complete the function.

## Removal from the Waiting List

### ECC/HANH Policy

ECC/HANH will remove an applicant from the waiting list upon request by the applicant family. In such cases no informal hearing is required. Such requests must be submitted in writing.

If at any time an applicant family is on the waiting list, the ECC/HANH determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because the ECC/HANH has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding ECC/HANH's decision (see Chapter 16) [24 CFR 982.201(f)].

A family may also be removed from the waiting list if

the family fails to respond to the PHA's written invitation to attend an eligibility appointment.

### PART III: SELECTION FOR HCV ASSISTANCE

### 4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by ECC/HANH and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

ECC/HANH must maintain a clear record of all information required to verify that the family is selected from the waiting list according to ECC/HANH'S selection policies [24 CFR 982.204(b) and 982.207(e)].

### 4-III.B. SELECTION AND HCV FUNDING SOURCES

### **Regular HCV Funding**

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

### Special Admissions [24 CFR 982.203]

HUD may award funding for specifically named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, ECC/HANH may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. ECC/HANH must maintain records showing that such families were admitted with special program funding.

## Targeted Funding [24 CFR 982.204(e)]

HUD may award ECC/HANH funding for a specified category of families on the waiting list. ECC/HANH must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, ECC/HANH may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

### **Emergency Housing Vouchers**

Ì

The American Rescue Plan (ARP) of 2021, section 3202 created the Emergency Housing Vouchers for individuals and families who are experiencing homelessness; at risk of experiencing homelessness; fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking; or were recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing stability. ECC was allocated 37 EHV effective July 1, 2021. After September 30, 2023\_023, ECC/HANH may not reissue any previously leased EHV, regardless of when the assistance for the formerly assisted family ends or ended. All referrals must come through the Continuum of Care

Coordinated (CoC) Entry system (New Haven Alliance Coordinated Access Network) or from a Victims Services Provider.

The CoC maintains the waitlist for this program by prioritizing individuals and families for EHV assistance, determining the homelessness eligibility, and refers individuals and families through the CoC's coordinated entry system.

Families referred by the CoC may receive EHV program funded housing support services including: supporting individuals and families in processing voucher applications, supporting the housing search process, and planning for and coordinating the delivery of supportive services to support the housing stability of EHV participants. (see Chapter 18, Emergency Housing Vouchers)

## 4-III.C. SELECTION METHOD

ECC/HANH must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that ECC/HANH will use [24 CFR 982.202(d)].

## Local Preferences [24 CFR 982.207; HCV p. 4-16]

ECC/HANH is permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits ECC/HANH to establish other local preferences, at its discretion. Any local preferences established must be consistent with the ECC/HANH plan and the consolidated plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

### ECC/HANH Policy

The ECC/HANH offers preferences to the below families in the stated order.

- 1.) Displaced by Government Action
  - Displacement as the result of ECC/HANH planned development/demolition/disposition activity, including from buildings condemned for health and safety reasons, and including from ECC/HANH public housing units undergoing demolition/disposition, if such action is under a Uniform Relocation Act (URA)
  - b. Displacement as the result of a local natural disaster and/or condemnation of a property or dwelling for health and safety reasons.
  - c. Displacement as defined by US Department of Housing and Urban Development as the result of a natural disaster or event defined Emergency event resulting in the displacement of persons needing housing assistance.
- Reasonable Accommodation for a person with a disability issues under the Fairst Housing Act for residents currently residing in an ECC/HANH property.—Services (DHMAS).

ECC/HANH provides a preference to persons with disabilities to facilitate the matching of these supportive housing resources with persons who prefer to receive, and who qualify for, the provided supportive housing services under this program. Although applicants for tenant-based supportive housing assistance must meet the eligibility criteria as required by HUD (Chapter 3, Part II: Basic Eligibility Criteria, and Part 3-III.B: Mandatory Denial of Assistance), the

- 5.)6.) Currently residing in an ECC/HANH public housing unit, who are in a situation involving crime and safety, where transfer of a current Low Income Public Housing family to another public housing development does not meet the needs of ECC/HANH public housing residents due to other situations involving crime and safety; and,
- 6-)7.) Families residing in properties in imminent danger of foreclosure. The number of vouchers utilized for these families shall not exceed 15 at any given time.
- 7.)8.) Tenant Based Supportive Housing Assistance

### Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75 percent of the families admitted to the HCV program during the ECC/HANH fiscal year. ELI families are those

with annual incomes at or below the federal poverty level or 30 percent of the area median income, whichever number is higher. To ensure this requirement is met, ECC/HANH may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

### ECC/HANH Policy

The ECC/HANH will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

### **Order of Selection**

The ECC/HANH system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If ECC/HANH does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

### ECC/HANH Policy

Families will be selected from the waiting list based on the targeted funding or selection preference(s) for which they qualify, and in accordance with ECC/HANH's hierarchy of preferences, if applicable. Within each targeted funding or preference category, families will be selected according to the date and time of application.

Separate waiting lists will be established for applicants/referrals for project-based or tenant-based applicants in supportive housing and/or Effort to end homelessness initiatives.

Documentation will be maintained by the ECC/HANH as to whether families on the list qualify for and are interested in targeted funding.

### 4-III.D. NOTIFICATION OF SELECTION

When a family has been selected from the <u>specific</u> waiting list, ECC/HANH must notify the family <u>of the selection</u>.

### ECC/HANH Policy

The ECC/HANH will notify the family by first class mail, or email if applicable, when it is selected from the waiting list.

The notice will inform the family of the following:

Date, time and location of the scheduled application interview, including any procedures for rescheduling the interview.

Page 4-15

Who is required to attend the interview.

Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation

Documents that must be provided at the interview to document eligibility for a preference, if applicable

Other documents and information that should be brought to the interview

If a notification letter is returned to ECC/HANH with no forwarding address, the family will be removed from the waiting list without further notice.

Applicants who fail to attend their scheduled interview or who cannot be contacted to schedule an interview will be scheduled for a second interview. Applicants who cannot be contacted after a second attempt or who fail to show for a second interview shall have their applications withdrawn, subject to reasonable accommodation for people with disabilities.

### 4-III.E. THE APPLICATION INTERVIEW

HUD recommends that ECC/HANH obtain the information and documentation needed to make an eligibility determination though an interview with an ECC/HANH representative [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if ECC/HANH determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period determined by ECC/HANH [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

### ECC/HANH Policy

1

Families selected from the waiting list are required to participate in an eligibility interview.

All adult family members are required to attend the interview. The ECC/HANH may waive this requirement on a case by case basis for students attending school out of state and/or for members for whom attendance would present a hardship.

All adult household members must provide acceptable documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity.) If the household member does not provide the required documentation at the time of the interview, he or she will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, the ECC/HANH will allow the family to retain its place on the waiting list for 90 days. If all household members have not disclosed their SSNs at the next time the ECC/HANH is issuing vouchers, the ECC/HANH will issue a voucher to the next eligible applicant family on the waiting list.

Verification of information pertaining to adult members of the household that are not present at the interview will not begin until signed release forms are returned to ECC/HANH.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, signing authorization of release of information forms, consent forms allowing the ECC/HANH to obtain required criminal records, providing required signatures, and submitting required documentation. If any materials are missing, the ECC/HANH will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, the ECC/HANH will provide translation services in accordance with the ECC/HANH's LEP plan.

If the family is unable to attend a scheduled interview, the family should contact the ECC/HANH in advance of the interview to schedule a new appointment. This does not count as a missed appointment.

In all circumstances, if a family does not attend a scheduled interview, the ECC/HANH will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without ECC/HANH approval will be denied assistance based on the family's failure to supply information needed to determine eligibility.

Exceptions may be made on a case-by-case basis where extenuating circumstances out of the applicant's control prevented them from attending the second appointment. The applicant will be required to provide acceptable documented proof. If approved, a third appointment will be scheduled.

When the ECC/HANH denies eligibility due to failure to appear at the eligibility interview and/or failure to supply information needed to determine eligibility, a notice of denial will be issued in accordance with policies contained in Chapter 3.

### 4-III.F. COMPLETING THE APPLICATION PROCESS

Ì

ECC/HANH must verify all information provided by the family (see Chapter 7). Based on verified information, ECC/HANH must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

### ECC/HANH Policy

If the ECC/HANH determines that the family is ineligible, the ECC/HANH will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to the waiting list. The ECC/HANH will notify the family in writing that it has been returned to the waiting list and will specify the reasons for it.

If the ECC/HANH determines that the family is eligible to receive assistance, the ECC/HANH will invite the family to attend a briefing in accordance with the policies in Chapter 5.

## PART 4-IV: VAWA APPLICANT WAITLIST & TRANSFER WAITLIST PREFERENCE

### 4-IV. A OVERVIEW

In support of The Violence Against Women Act, 42 U. S. C. 13701, ECC/HANH has implemented a waitlist preference for victims of domestic violence. The preference applies to:

- all <u>site basedsite-based</u> waitlists for developments owned and managed by ECC/HANH, including sites managed by a 3<sup>rd</sup> party entity,
- ECC/HANH's in-house transfer waitlists,

### Admissions and Screening

- **A. Non-Denial of Assistance.** ECC/HANH will not deny admission to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, sexual assault, dating violence, or stalking, provided that such person is otherwise qualified for such admission.
- **B.** Admissions Preference. Applicants for housing assistance from ECC/HANH will receive a preference in admissions by virtue of their status as victims of domestic violence, sexual assault, dating violence, or stalking. This preference is particularly described as follows:
  - Applicants holding a place on any ECC/HANH wait list will repositioned as outlined in the Admission and Continued Occupancy Plan (ACOP) or Administrative Plan.
- C. Mitigation of Disqualifying Information. When so requested in writing by an applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, ECC/HANH, shall take such information into account in mitigation of

potentially disqualifying information, such as poor credit history or previous damage to a dwelling. If requested by an applicant to take such mitigating information into account, ECC/HANH shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information. ECC/HANH will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

**D. Mandatory Disqualify:** Former Housing Choice Voucher Participants and former Residents of any Low-Income Public Housing program who were not in good standing at the time of exiting the program.

### 4.IV-B. PREFERENCE QUALIFICATIONS

To qualify for the VAWA preference an incident of domestic violence must have taken place no more than 90 calendar days prior to date of ECC/HANH's receipt of the VAWA application, and the applicant must be currently homeless or at risk of being homeless as a result of domestic violence.

### **Supporting Documents**

The applicant must provide supporting documentation of incident(s) of domestic violence including certification from a federal, state, tribal, territorial or local police; or protective order; or a signed certification by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incident(s) of abuse., The victim must also sign the documentation.

### **Request for Preference**

Ì

To begin the VAWA preference application process, the applicant may visit our office at 360 Orange Street, New Haven, CT 06511 to obtain a VAWA certification packet. If unable to visit the office, the applicant may contact ECC/HANH's Reasonable Accommodations Manager (RAM) at 498-8800 and request the VAWA Certification Form be mailed.

Once the applicant has received, the VAWA certification form he/she must fill out the form in its entirety, sign and return along with required proof of domestic violence incident(s). All incomplete requests will be denied.

The completed certification packet and supporting documentation are to be mailed or hand delivered to:

Reasonable Accommodations Manager Elm City Communities/Housing Authority of the City of New Haven 360 Orange Street New Haven, Connecticut 06511

If the applicant cannot mail or hand-deliver the completed form, please contact the Reasonable Accommodations Manager to discuss other methods of delivery.

### **Denial of Preference**

Notification of Rejection will be sent by ECC/HANH's RAM within 10 business days of receipt. The notice will inform the applicant of the basis for such determination and will offer an opportunity for an informal hearing (see ECC/HANH ACOP & Administrative Plan for Informal Hearing of Rejected Applicants).

### **Approval of Preference**

Ì

When the VAWA preference is approved, the applicant will receive notification of approval as well as the pre-application. Upon receipt of the completed pre-application, all eligible families will be added to all wait lists for which the family qualifies for. If an applicant is already on the ECC/HANH applicant waitlist as a result of having previously applied for LIPH or HCV, the preference will be applied, and the applicant will be repositioned on the applicant waitlist as outlined in the agency's HCV Administrative Plan (Admin Plan) or the LIPH Admission and Continued Occupancy Policy (ACOP), based on the date of the original approval date.

An applicant who is not yet on the LIPH or HCV applicant waitlist will be added only to the LIPH applicant site-based waitlist as outlined in the ACOP. New applicants will not be added to the HCV waitlist, however, once on the LIPH waitlist, families may potentially have a one time opportunity to opt for vouchers if vouchers are available.

## TRANSFERS FOR CURRENT ECC RESIDENTS APPROVED FOR VAWA PROTECTIONS TO ANOTHER ECC/HANH OWNED SITE

Current residents of properties owned and/or managed by ECC or a 3<sup>rd</sup> party entity who experience new incident(s) of domestic violence may request a unit transfer as a protection.

The resident would submit a completed VAWA certification or Form 5383 for Emergency Transfer Request to ECC's Reasonable Accommodations Manager. The submission must also include supporting documentation of incident(s) of domestic violence including certification from a federal, state, tribal, territorial or local police; or protective order; or a signed certification by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse.

Formatted: Superscript

Resident families approved for protections will be added to ECC's "LIPH" transfer list with a VAWA preference. The resident families will be offered units in LIPH and RAD properties, and ECC owned properties managed by a 3rd party entity. (see Chapter 19)

## 4-IV.C HCV/LIPH OPTION FOR APPLICANTS ON LIPH SITE BASED WAITING LISTS WITH VAWA WAIT LIST PREFERENCE

Each month, the Reasonable Accommodations Manager (RAM) or designee will determine how many families have been on a site based LIPH wait lists for a period of 90 days. The RAM will then contact the HCV Manager or designee to determine if vouchers are available for said families.

When vouchers are available, the Reasonable Accommodations Manager will contact families from the top of the wait list that have not previously been contacted for a Section 8 voucher (using date of receipt of pre-app, since family will have a different position number on each development list). These families will be invited to an informational session to discuss their choice of receiving a voucher or waiting for a LIPH unit. Families will then indicate their preference in writing within 10 business days of the informational session by using the election form provided at the session. The offer to opt for a Housing Choice Voucher will only occur once for each family.

The names of the Applicants choosing vouchers will be provided to the HCV department for inclusion on the HCV wait list with the VAWA preference. The HCV department will conduct briefings and voucher issuances for the families. Families that choose a voucher but later opts to stay on the LIPH waitlist, instead of using the voucher, will be able to do so. The family must provide written notification of such decision to ECC prior to the lease & Housing Assistance Contract signing with ECC/HANH's HCV staff.

Applicants who choose and utilize the voucher will remain on the LIPH wait lists without a preference unless the family requests, in writing, to be removed from the waitlist, or when other circumstances outlined in the ACOP warranting removal from the waitlist occur. Families who opt out of receiving a voucher and choose to remain on LIPH wait lists will do so with the VAWA preference.

### 4-IV.D LIPH/PBV/RAD-PBV to HCV OPTIONS FOR RESIDENTS

ECC will offer 2 options to resident families who experience new incidents of domestic violence and are approved for inclusion on the "LIPH" transfer list.

### Option 1

Per Notice PIH 2021-15 (HA), issued May 5, 2021.

The Emergency Housing Voucher (EHV) program is available through the. American Rescue Plan Act of 2021 (P.L. 117-2) (ARP).

The U.S. Department of Housing and Urban Development (HUD) has awarded 37 of Emergency Housing Vouchers (EHVs) to the ECC/HANH to be used to assist individuals and families who are:

- (1) homeless;
- (2) at risk of homelessness;
- (3) fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking; or
- (4) recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability.

NOTE: Recently homeless individuals and families must always be referred by the CoC or it's designee.

HUD has established an alternative requirement under which ECC/HANH must enter into a Memorandum of Understanding (MOU), to establish a partnership with the Continuum of Care (CoC) or other homeless or victim service providers, to assist qualifying families through a direct referral process—for the administration of the EHVs. The specific services that the CoC will provide is outlined in the MOU.

HUD has allocated 37 emergency housing vouchers (EHV) to Elm City Communities-HANH. ECC partnered with Continuum of Care (CoC) as the agency that ECC will refer VAWA eligible families. The HCV Manager will request VAWA names from the Reasonable Accommodation Coordinator. The HCV Manager will forward the referral list to the CoC for review. The CoC will assess the families, make a determination of which families are eligible for the EHV. Based on available EHV the qualifying families will be submitted through the direct referral process to HCV.

The CoC will be responsible for:

- prioritizing individuals and families for EHV assistance,
- determining the homelessness eligibility,
- referring individuals and families through the CoC's coordinated entry (CE) system,
- supporting individuals and families in processing voucher applications,
- supporting the housing search process,
- planning for and coordinating the delivery of supportive services to support the housing stability of EHV participants.

After September 30, 2023, ECC/HANH may not reissue any previously leased EHV, regardless of when the assistance for the formerly assisted family ends or ended.

Those families who do not qualify for an EHV, will remain active on the LIPH transfer list and the HCV VAWA transfer list.

### Option 2

Bi-annually, the Reasonable Accommodations Manager (RAM) or designee will determine how many families have been on the LIPH Transfer wait list for more than 6 months. The Manager will then contact the HCV Manager or designee to determine if non-EHV vouchers are available for said families.

When vouchers are available, the Reasonable Accommodations Manager will contact families from the LIPH transfer wait list who was on the list for more than 6 months, did not receive and accept a unit transfer offer and was notwas not previously contacted for a housing voucher (using date of the approval for VAWA protections).

These families will be invited to an informational session to discuss their choice of receiving a voucher or remaining on the transfer list awaiting a unit transfer offer. Families will then indicate their preference in writing within 10 business days of the informational session by using the election form provided at the session. The offer to opt for a Housing Choice Voucher will only occur once for each family.

Those resident families choosing vouchers will be added to the HCV VAWA transfer list. Names will be provided to Service Center for briefing and voucher issuance. The family remains a LIPH family with no loss of rights until another unit is identified by the family, the unit is approved by ECC to lease and a HAP contract is executed by ECC and a property owner on behalf of the family. If a family chooses a voucher but later opts to stay on the LIPH transfer list instead of using the voucher, the family will be able to do so. The written notification by the family must occur prior to the lease signing with another property owner and execution of a Housing Assistance Contract by ECC/HANH HCV staff and property owner.

### Unit Assignments for New Applicants

Ì

In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, sexual assault, dating violence, or stalking, When an applicant family with a VAWA preference reaches the top of a <a href="site-based">site-based</a> wait list and is eligible to receive a unit offer, ECC/HANH will approve the first available and appropriate sized unit, as outlined in by the Occupancy Standards found in ECC/HANH'S ACOP.

The unit may be within either our low-income public housing properties, RAD & RAD/PBV properties, or ECC owned property that is managed by a 3<sup>rd</sup> party entity. When the applicant family reaches the top of a specific site basedsite-based list, is extended a unit offer and rejects the unit offer for good cause that is related to the development, not the specific unit, the family will be withdrawn from that site based wait list only, thereby allowing the family to remain active on other site based wait lists.

If the unit family rejects the unit offer for reasons related to the suitability of the unit for the family, ECC/HANH will review the facts and make a determination as to whether the rejection warrants withdrawal of the family from that specific wait list.

Failure to accept this offer for any reason other than good cause will result in the applicant being removed from the wait list that is associated with the particular wait list.

Note: VAWA requirements and PHA policies including definitions, notification, documentation, and confidentiality can be found in chapter 16. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, "Family Breakup and Remaining Member of

Tenant Family"; 3-III.G, "Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking"; 10-I.A, "Allowable Moves"; 10-I.B, "Restrictions on Moves"; 12-II.E, "Terminations Related to Domestic Violence, Dating Violence, or Stalking"; and 12-II.F, "Termination Notice."

ECC/HANH has established a homeless preference and set-aside waiting lists for individuals and families that meet the HUD definition of homelessness.

There will be a set-aside waiting lists for families and individuals who will be housed in the PBV and TBV supportive housing programs and set-aside waiting lists for families and individuals who will be housed in the -Effort to End Homelessness Initiatives.

 $\underline{\mbox{The homeless preference will also apply to applicants to the ECC/HANH PBV and} \\ \underline{\mbox{RAD/PBV developments.}}$ 

<u>Current applicants on the HCV waiting list will be notified of the new admissions</u> preference/set-aside waiting lists and will be instructed on the necessary procedure to qualify. They will need to contact the Coordinated Access Network (CAN) for an assessment and referral to ECC/HANH.

They will be granted a first right to an available unit under the preference should they meet the above definition of homeless.

Formatted: Indent: Left: 0.5"

Notice to persons on the HCV waiting list will be done by mail no later than thirty (30) days prior to the effective date of the preference. This preference will be effective November 1, 2022.

In order to be eligible for the preference, an applicant must be a direct referral from the Coordinated Access Network (CAN).

ECC/HANH must have a Memorandum of Understanding (MOU) with the CAN for vouchers under the ECC/HANH MTW Homeless Voucher initiative. ECC/HANH must have a MOU with the CAN specific to the homeless preference.

The CAN will conduct an applicant assessment through their Coordinated Entry system and will send the referral to ECC/HANH.

Once the referral has been received, the applicant will be placed on the Homeless Preference/Set-Aside Waiting List.

The referral must include a commitment by the homeless service provider to supportive services to help the household transition from homelessness to permanent housing, including tenant selection, eligibility and lease requirements.

When a unit becomes vacant in a PBV or RAD/PBV development the applicant who meets the criteria of the admissions preference and who is on the existing waiting list will be selected for eligibility determination and unit offer.

When tenant-based vouchers are offered, the applicant who meets the criteria of the admissions preference and who is on the existing waiting list will be selected first for eligibility determination and a voucher offer.

All applicants must comply with current admissions requirements at the specific property, including income and background screening criteria.

Applicants must also comply with the ECC eligibility and background screening criteria as stated in Chapter 3 (Eligibility) of this Admin Plan.

Applicants who do not pass the eligibility criteria will be provided with the basis of the intent to deny or denial in writing and will be notified of their right to request a meeting to review the information or right to request an informal hearing. (Chapter 16, Informal Reviews and Hearings.)

If the intent to deny review or informal review meeting is favorable to the applicant, the applicant will be returned to the waiting list with the homeless preference and offered the next available unit or voucher.

Note: This preference can be amended as needed and/or removed with proper notification of such to all affected parties, including written notification to HUD.

ECC/HANH has also allocated vouchers to supportive housing providers and the CAN in an effort to end homelessness.

Applicants are assessed by the supportive housing provider, prioritized and referred to ECC/HANH accordingly.

The applicant is placed on the appropriate provider set aside waiting list. When a unit or allocated voucher becomes available the applicant is notified by ECC/HANH for an eligibility appointment.

Applicants must also comply with the ECC eligibility and background screening criteria as stated in Chapter 3 (Eligibility) of this Admin Plan, unless specifically stated in the MOU.

Applicants who do not pass the eligibility criteria will be provided with the basis of the intent to deny or denial in writing and will be notified of their right to request a meeting to review the information or right to request an informal hearing. (Chapter 16, Informal Reviews and Hearings.)

## Chapter 19

### **SECTION IV**

# APPLICATIONS, WAITING LIST, TENANT SELECTION AND TRANSFER POLICY

### INTRODUCTION

No changes to this section for the standard PBV program.

For the RAD PBV program:

RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed. As part of the conversion process, ECC/HANH must consider the best way to transition families who are already on the existing public housing waiting list to the new RAD/PBV waiting list. Considerations vary depending on whether the current public housing waiting list is system-wide or site-based and on what type of waiting list ECC/HANH will adopt once units are converted. While special consideration must be given when initially establishing the RAD PBV waiting list, once the waiting list is established, requirements are the same in RAD PBV as in the regular PBV program.

For the LIHTC program:

Neither the state of Connecticut nor the IRS Code requires owner/agents to maintain a written waiting list or adopt a written tenant selection plan. An Application for Housing is included in the state of Connecticut's LIHTC compliance manual and must be used as part of the application process.

### PART I: THE APPLICATION PROCESS

### 4-I.A. OVERVIEW

No changes to this section for the standard or RAD PBV programs.

## 4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]

ECC-HANH currently has one TBV wait list for use by all PBV and PBV RAD developments. Once the TBV list is exhausted each development will maintain a site-based waiting list. Applications for assistance will be processed by the Management Agent/Owner responsible for each development.

At the time of the approval of the financial plan, applicants on the TBV waitlist shall be contacted to determine if they are interested in being placed on the PBV RAD waitlist. Applicants will be given 14 days from the date of the letter to respond. The order that

applicants will be placed on the new waitlist will be based of the application date on their HCV Tenant Based application.

The Application for Housing included in the Tax Credit compliance manual for the state of Connecticut must be used for all LIHTC/PBV units. The information furnished on the fully completed application must be reviewed along with supplementary historical documents submitted with the application.

## ECC/HANH Policy

When opening the waiting list, ECC/HANH or the 3<sup>rd</sup> Party entity will publicly announce the accepting of applications (see Section 4-II-C).

Families may apply for the wait list through the ECC/HANH Applicant portal at <a href="https://ecc.myhousing.com">https://ecc.myhousing.com</a> or the 3<sup>rd</sup> Party website. If the applicant needs a reasonable accommodation to complete the pre-application, the applicant may contact the 203-498-8800 x1507. Application forms can also be obtained at the ECC/HANH website at <a href="https://www.cthcvp.org">www.cthcvp.org</a>. United Way's 211 Info line at <a href="https://www.cthcvp.org">https://www.cthcvp.org</a>.

A family may request to pick up an application form at the agency offices or to have the application mailed to them as a reasonable accommodation.

All applications received via mail will be date and time stamped. Mailed applications will be added to the waitlist based on the date and time that they are stamped as received.

Only one application will be accepted per family; duplicate applications will be discarded.

Applications received after the published deadline date will be rejected.

Completed applications must be submitted via the Wait List portal. Applications must be complete in order to be accepted by the ECC/HANH for processing.

The Applicant Portal does not allow incomplete applications to be submitted through the portal. If a pre-application submitted in any way other than the portal is incomplete, the ECC/HANH will not accept the application but will instead notify the applicant by mail or email, if applicable, that the application is incomplete and has been denied

An applicant whose application has been denied for not meeting the published application criteria will be provided with the opportunity to appeal ECC/HANH's decision that the application did not meeting the published application criteria within 10 business days of the notice of application denial.

Applicants who will occupy units with PBV or PBV/RAD assistance must be selected according to the corresponding Admission and Continued Occupancy Plan (ACOP) and/or Housing Choice Voucher Administrative Plan (Admin Plan) for each development. Once those Waiting Lists have been exhausted, the development will establish a site based PBV or PBV/RAD Waiting List. Separate waiting lists will be maintained for LIPH units and PBV units according to the development Tenant Selection Plan.

## Local Preferences [24 CFR 982.207; HCV p. 4-16]

ECC/HANH is permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits ECC/HANH to establish other local preferences, at its discretion. Any local preferences established must be consistent with the ECC/HANH Moving to Work Annual Plan and the City of New Haven's Consolidated Plan and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

The ECC/HANH offers preferences to the below families in the stated order. These preferences apply to the non-Rental Assistance Development (RAD)LIHTC/PBV and LIPH units only.

For the RAD units, please refer to the applicable Resident Selection Plans.

- 1.) Displaced by Government Action
  - a. Displacement of residents living in ECC/HANH developments as the result of ECC/HANH planned development/demolition/disposition activity, including from buildings condemned for health and safety reasons, and including from ECC/HANH public housing units undergoing demolition/disposition, if such action is under a Uniform Relocation Act (URA)

  - c. Displacement as defined by US Department of Housing and Urban Development as the result of a natural disaster or event defined Emergency event resulting in the displacement of persons needing housing assistance.
- 2.) Reasonable Accommodation for disability issues under the Fair Housing Act for residents currently residing in an ECC/HANH public housing, PBV or RAD/PBV unit who require a transfer as a reasonable accommodation where a vacant unit would meet a resident's disability-related need(s).

- 3.) Violence Against Women Act (VAWA) for applicants who are victims of domestic violence, dating violence, sexual assault or stalking including LIPH resident and applicant families claiming protections under the Violence Against Women Act (VAWA), See the VAWA preference policy for more information.
- 4.) In a documented Witness Protection Program;
- 5.) Currently residing in an ECC/HANH public housing unit, who are in a situation involving crime and safety, where transfer of a current Low-Income Public Housing family to another public housing development does not meet the needs of ECC/HANH public housing residents due to other situations involving crime and safety; and
- 6.) Families who have a homeless preference by the HUD definition and are referred from the Coordinated Access Network (CAN) and are placed on the homeless set aside waiting list

### Note:

For families with a Reasonable Accommodation preference in the LIHTC/PBV and RAD/PBV units:

- 1) For LIHTC/PBV or RAD/PBV units with accessible features,
  - a. selection will be given to existing residents (per the Tenant Selection Plan) who have been approved for a reasonable accommodation transfer and who need the accessibility features of the available accessible unit.
  - b. selection will be given to residents from LIPH, PBV and RAD/PBV units who have been placed on the ECC/HANH Reasonable Accommodation Transfer List because they require an accessible unit.
  - c. selection will be given to applicant families from the ECC/HANH agency wide Accessible Waiting List
- 2) For families with a Reasonable Accommodation preference for a non-accessible unit
  - a. selection will be given to existing residents (per the Tenant Selection Plan) who have been approved for a reasonable accommodation transfer and whose disability-related needs would be met by a transfer to that particular vacant unit.
  - b. selection will be given to residents from LIPH, PBV and RAD/PBV units who have been placed on the ECC/HANH Reasonable Accommodation Transfer List and whose disability-related needs would be met by a transfer to that particular unit.
  - c. selection will be given to applicant families from the ECC/HANH agency wide Accessible Waiting List
- 3) A family may request a transfer as a reasonable accommodation for a disability. Examples of a reasonable accommodation transfer include, but are not limited to, a transfer for a person with a mobility impairment, a unit with a bed and bath on the first floor or a transfer to a unit with accessible features.

- 4) Once a family's reasonable accommodation has been approved, the family will be placed on the Reasonable Accommodation Transfer List based on the date of such reasonable accommodation request and bedroom size. Approved families will be offered an available unit that meets their disability related needs in a Low-Income Public Housing (LIPH), Project Based Voucher (PBV) or RAD/PBV development/portfolio accordingly.
- 5) Once it has been determined that ECC/HANH cannot accommodate the family in the LIPH, PBV or RAD/PBV portfolio, the family will be added to the HCV/TBV Reasonable Accommodation List for an opportunity for a Tenant Based Voucher (TBV). The family will be given the option for a TBV or may choose to remain on the Reasonable Accommodation Transfer list until a unit that meets their needs becomes available. (See Local Preference no. 2 listed above)
- 6) The Property Manager for each development within the ECC/HANH portfolio will notify the Reasonable Accommodation Manager of all tenants approved for a reasonable accommodation transfer and such persons will placed on the Reasonable Accommodation Transfer List based on date of approval and bedroom size so they may be accommodated accordingly and timely.

All other selections (not related to reasonable accommodations) occur as follows. Each site shall maintain a site-based waiting list. Prior existing lists shall be exhausted in the following order with subsequent selections being made from site-based waiting lists.

The Owner may not establish a limit on the number of Elderly families or Disabled families who may be accepted for occupancy in a development that was Mixed Population development prior to conversion. In selecting Elderly families and Disabled families to occupy units in mixed population developments, the owner must first offer units that have special accessibility features for persons with disabilities to families who include persons with disabilities who require the accessibility features of such units (see §§ 8.27 and 100.202 of this Part 24 CFR)."

#### Waiting Lists for Converted Units

The Owner shall use the ECC/HANH site-based waiting for each development list used by it prior to conversion for the selection of occupants post-conversion, except for units that have special accessibility features for persons with disabilities who require the accessibility features of such units (see §§ 8.27 and 100.202 of Part 24 CFR)."

First priority: Subject to preference for families residing in the existing developments (right to return families) on the date of the financial plan approval.

Second priority: Interested applicants on the site-based waiting lists for the properties at the time of approval of the date of the financial plan approval, over all other applicants based on their position on the existing site-based waiting lists.

Third priority: At the time of the approval of the financial plan, applicants on the ECC Housing Choice Voucher Wait List shall also be contacted to determine if they are interested in being placed on the Development Waiting List. Applicants on the existing HCV Waitlist will be given third priority over all other applicants based on their position on this list.

Fourth priority: Applicants on the RAD site-based waiting.

Occupants of units with accessibility features shall be selected from (1) a current occupant of another unit of the same <u>project</u>, or comparable <u>projects</u> under common control, having <u>disabilities</u> requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such occupant exists, then (2) to an eligible qualified applicant on the Agency wide Accessible Waiting List having a <u>disability</u> requiring the accessibility features of the vacant unit.

With respect to units where preference for occupancy shall be to the elderly or to the elderly and disabled on an equal basis, the Authority shall transfer each site-based waiting list to the owner and the Owner shall manage each list in accordance with the Authority-approved resident selection plan. The Owner shall select occupants from these lists until all applicants on these lists shall have been either offered a unit, withdrawn or removed, or rejected for admission. The Owner shall maintain its site-based waiting list once these requirements have been met.

#### **PART 4-V: EFFORT TO END HOMELESSNESS**

#### HOMELESS PREFERENCE/WAITING LIST SET-ASIDES

ECC/HANH is adding a homeless admissions preference/set-aside for applicants for the project-based and tenant-based Effort to End Homelessness Initiatives.

This preference/set-aside applies to families or individuals who are:

- (1) homeless;
- (2) at risk of homelessness;
- (3) fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking; or
- (4) recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability.

The HUD definition of Homeless is listed in 4 categories:

#### Category 1

#### Literally homeless individuals/families

Individuals and families who lack a fixed, regular, and adequate nighttime residence, which includes one of the following:

- Place not meant for human habitation
- Living in a shelter (Emergency shelter, hotel/motel paid by government or charitable organization)
  - Exiting an institution (where they resided for 90 days or less AND were residing in emergency shelter or place not meant for human habitation immediately before entering institution)

#### Category 2

Individuals/families who will imminently (within 14 days) lose their primary nighttime residence, which includes ALL of the following:

- Have no subsequent residence identified AND
- Lack the resources or support networks needed to obtain other permanent housing

#### Category 3

Unaccompanied youth (under 25 years of age) or families with children/youth who meet the homeless definition under another federal statute and includes ALL of the following:

- Have not had lease, ownership interest, or occupancy agreement in permanent housing at any time during last 60 days

#### **ECC/HANH Policy**

ECC/HANH has established a homeless preference and set-aside waiting lists for individuals and families that meet the HUD definition of homelessness.

There will be a set-aside waiting lists for families and individuals who will be housed in the PBV and TBV supportive housing programs and set-aside waiting lists for families and individuals who will be housed in the -Effort to End Homelessness Initiatives.

The homeless preference will also apply to applicants to the ECC/HANH PBV and RAD/PBV developments.

Current applicants on the HCV waiting list will be notified of the new admissions preference/set-aside waiting lists and will be instructed on the necessary procedure to qualify. They will need to contact the Coordinated Access Network (CAN) for an assessment and referral to ECC/HANH.

They will be granted a first right to an available unit under the preference should they meet the above definition of homeless.

Notice to persons on the HCV waiting list will be done by mail no later than thirty (30) days prior to the effective date of the preference. This preference will be effective November 1, 2022.

In order to be eligible for the preference, an applicant must be a direct referral from the Coordinated Access Network (CAN).

ECC/HANH must have a Memorandum of Understanding (MOU) with the CAN for vouchers under the ECC/HANH MTW Homeless Voucher initiative. ECC/HANH must have a MOU with the CAN specific to the homeless preference.

The CAN will conduct an applicant assessment through their Coordinated Entry system and will send the referral to ECC/HANH.

Once the referral has been received, the applicant will be placed on the Homeless Preference/Set-Aside Waiting List.

The referral must include a commitment by the homeless service provider to supportive services to help the household transition from homelessness to permanent housing, including tenant selection, eligibility and lease requirements.

When a unit becomes vacant in a PBV or RAD/PBV development the applicant who meets the criteria of the admissions preference and who is on the existing waiting list will be selected for eligibility determination and unit offer.

When tenant-based vouchers are offered, the applicant who meets the criteria of the admissions preference and who is on the existing waiting list will be selected first for eligibility determination and a voucher offer.

All applicants must comply with current admissions requirements at the specific property, including income and background screening criteria.

Applicants must also comply with the ECC eligibility and background screening criteria as stated in Chapter 3 (Eligibility) of this Admin Plan.

Applicants who do not pass the eligibility criteria will be provided with the basis of the intent to deny or denial in writing and will be notified of their right to request a meeting to review the information or right to request an informal hearing. (Chapter 16, Informal Reviews and Hearings.)

If the intent to deny review or informal review meeting is favorable to the applicant, the applicant will be returned to the waiting list with the homeless preference and offered the next available unit or youcher.

**Note:** This preference can be amended as needed and/or removed with proper notification of such to all affected parties, including written notification to HUD.

ECC/HANH has also allocated vouchers to supportive housing providers and the CAN in an effort to end homelessness.

Applicants are assessed by the supportive housing provider, prioritized and referred to ECC/HANH accordingly.

The applicant is placed on the appropriate provider set aside waiting list. When a unit or allocated voucher becomes available the applicant is notified by ECC/HANH for an eligibility appointment.

Applicants must also comply with the ECC eligibility and background screening criteria as stated in Chapter 3 (Eligibility) of this Admin Plan, unless specifically stated in the MOU.

Applicants who do not pass the eligibility criteria will be provided with the basis of the intent to deny or denial in writing and will be notified of their right to request a meeting to review the information or right to request an informal hearing. (Chapter 16, Informal Reviews and Hearings.)

If the intent to deny review or informal review meeting is favorable to the applicant, the applicant will be returned to the waiting list with the homeless preference and offered the next available unit or youcher.

#### 4-IV.A RESIDENT TRANSFER POLICY

This section explains the transfer policy, based on HUD regulations, HUD guidance, and ECC/HANH policy decisions.

This section describes HUD regulations and ECC/HANH policies related to transfers in three parts:

<u>Part I: Emergency Transfers</u>. This part describes emergency transfers, emergency transfer procedures, and payment of transfer costs.

<u>Part II: ECC/HANH Required Transfers</u>. This part describes types of transfers that may be required by ECC/HANH, notice requirements, and payment of transfer costs.

<u>Part III: Transfers Requested by Residents</u>. This part describes types of transfers that may be requested by residents, eligibility requirements, security deposits, payment of transfer costs, and handling of transfer requests.

ECC/HANH may require the tenant to move from the unit under some circumstances. There are also emergency circumstances under which alternate accommodations for the tenant must be provided, that may or may not require a transfer.

The tenant may also request a transfer, such as a request for a new unit as a reasonable accommodation or protection under VAWA.

ECC/HANH must have specific policies in place to deal with acceptable transfer requests.

Preferences for Resident Transfers are as follows: (Applies to LIHTC ACC, PBV and RAD/PBV).

- 1) Emergency
- 2) Urgent- Non-VAWA Crime and Safety related transfers
- 3) Reasonable Accommodation for Accessible Units
- 4) Reasonable Accommodation for other than those needing accessible units or units with accessible features
- 5) Transfers mandated by modernization projects

- 6) VAWA transfers
- 7) Transfers due to over and under housing by more than two degrees
- 8) Other administrative transfers

Transfers from one LIHTC ACC, PBV or RAD/PBV development to another LIHTC ACC, PBV, RAD/PBV or LIPH development are allowable for all preferences, subject to LIHTC income guidelines and applicable Tenant Selection Plans.

The transfer list is an agency-wide transfer list and not a site-based list. One out of every ten offers will be made to a resident-requested transfer.

Per the development Resident Selection Plan, a resident who resides in a development and requires a different unit size or type will have a priority over other households on the Site based Waitlist for the unit that has become vacant in that Development.

#### 4-IV.B EMERGENCY TRANSFERS

If the dwelling unit is damaged to the extent that conditions are created which are hazardous to life, health, or safety of the occupants, ECC/HANH must offer standard alternative accommodations, if available, where necessary repairs cannot be made within a reasonable time [24 CFR 966.4(h)].

#### **ECC/HANH Policy**

Emergency transfers must be approved by the Owner or designee.

The Owner is not required to give prior notice of an emergency transfer.

Emergency conditions that occur due to abuse or neglect will be grounds for emergency transfer, however resident will be charged for the damages caused to the apartment.

The following is considered an emergency circumstance warranting an immediate transfer of the tenant or family:

Maintenance conditions in the resident's unit, building or at the site that pose an immediate, verifiable threat to the life, health or safety of the resident or family members that cannot be repaired or abated within 24 hours.

Examples of such unit or building conditions would include: a gas leak; no heat in the building during the winter; no water; toxic contamination; and serious water leaks.

#### 4-IV.C. EMERGENCY TRANSFER PROCEDURES

#### **ECC/HANH Policy**

If the transfer is necessary because of maintenance or other life-threatening conditions defined above, and an appropriate unit is not immediately available, Owner will provide

temporary accommodations to the tenant by arranging for temporary lodging at a hotel or similar location.

If the conditions that required the transfer cannot be repaired, or the condition cannot be repaired in a reasonable amount of time, Owner will transfer the resident to the first available and appropriate unit after the temporary relocation.

Emergency transfers are mandatory for the tenant. Refusal of a resident to accept an emergency transfer is grounds for termination of assistance or lease termination and eviction.

In cases where ECC/HANH does not have a unit available for an emergency transfer ECC/HANH can transfer the resident to one of its affiliated entities.

Emergency transfers from one LIHTC/RAD/PBV/LIPH development are allowable for Emergencies that cannot be immediately mediated and are subject to applicable LIHTC income guidelines. Emergency transfers will be placed on a centralized transfer list for LIHTC/RAD/PBV/LIPH residents.

#### 4-IV.D. COSTS OF TRANSFER

#### ECC/HANH Policy

Owner will bear the reasonable costs of temporarily accommodating the tenant and of long-term transfers, if any, due to emergency conditions.

The reasonable cost of transfers includes the cost of packing, moving, and unloading.

Owner will move the family at Owner's expense.

All amounts owed under tenancy will follow the family regardless of transfer.

#### PART V: ECC/HANH REQUIRED TRANSFERS

#### 4-V.A. OVERVIEW

ECC/HANH may require that a resident transfer to another unit under some circumstances. For example, ECC/HANH may require a resident to transfer to make an accessible unit available to a disabled family, or may transfer a resident in order to maintain occupancy standards based on family composition, or may transfer residents in order to demolish or renovate the unit.

A transfer that is required by ECC/HANH is an adverse action, and is subject to the notice requirements for adverse actions [24 CFR 966.4(e)(8)(i)].

#### 4-V.B. TYPES OF ECC/HANH REQUIRED TRANSFERS

The types of transfers that may be required by the Owner, include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply

with occupancy standards, transfers for demolition, disposition, revitalization, or rehabilitation, and emergency transfers as discussed in Part I of this chapter.

Transfers required by the Owner are mandatory for the tenant.

#### Transfers to Make an Accessible Unit Available

When a family is given an accessible unit, but does not require the accessible features, ECC/HANH may require the family to agree to move to a non-accessible unit when it becomes available.

#### ECC/HANH Policy

When a non-accessible unit becomes available, Owner will transfer a family living in an accessible unit that does not require the accessible features to an available unit that is not accessible. Owner may wait until a disabled resident requires the accessible unit before transferring the family that does not require the accessible features out of the unit. The Property Manager will give the family a 30-day notice to move, with the right to request a grievance hearing and a reasonable accommodation to remain in the unit if applicable.

#### **Occupancy Standards Transfers**

ECC/HANH may require a resident to move when a reexamination indicates that there has been a change in family composition, and the family is either overcrowded or overhoused according to ECC/HANH policy. On some occasions, ECC/HANH may initially place a resident in an inappropriately sized unit at lease-up, where the family is overhoused, to prevent vacancies. The public housing lease must include the tenant's agreement to transfer to an appropriately sized unit based on family composition

#### ECC/HANH Policy

Owner will transfer a family when the family size has changed and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied.

For purposes of the transfer policy, overcrowded and over-housed are defined as follows: *Overcrowded*: the number of household members exceeds the maximum number of persons allowed for the unit size in which the family resides, according to the sleeping room. For example, 5 persons could occupy a two-bedroom unit if the family wishes.

*Over-housed:* the family no longer qualifies for the bedroom size in which they are living based on ECC/HANH's occupancy standards as described in Section 5-I.B.

Owner may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of an appropriate size based on Owner's occupancy standards, when Owner determines there is a need for the transfer.

Owner may elect not to transfer an over-housed family in order to prevent vacancies.

A family that is required to move because of family size will be advised by Owner that a transfer is necessary and that the family has been placed on the transfer list.

Families that request and are granted an exception to the occupancy standards (for either a larger or smaller size unit) will only be required to transfer if it is necessary to comply with the approved exception.

Scattered site in-house transfers supersede scattered site wait list applicants.

#### Demolition, Disposition, Revitalizations, or Rehabilitation Transfers

#### ECC/HANH Policy

Owner will relocate a family when the unit or site in which the family lives is undergoing major rehabilitation that requires the unit to be vacant, or the unit is being disposed of or demolished. ECC/HANH's relocation plan may or may not require transferring affected families to other available public housing units. These transfers may be subject to Uniformed Relocation Act (URA) Guidelines.

If the relocation plan calls for transferring public housing families to other public housing units, affected families will be placed on the transfer list.

In cases of revitalization or rehabilitation, the family may be offered a temporary relocation if allowed under Relocation Act provisions, and may be allowed to return to their unit, depending on contractual and legal obligations, once revitalization or rehabilitation is complete.

#### 4V.C. ADVERSE ACTION [24 CFR 966.4(e)(8)(i)]

An ECC/HANH required transfer is an adverse action. As an adverse action, the transfer is subject to the requirements regarding notices of adverse actions. If the family requests a grievance hearing within the required timeframe, ECC/HANH may not act on the transfer until the conclusion of the grievance process.

#### PART VI: TRANSFERS REQUESTED BY TENANTS

#### 4-VI.A. OVERVIEW

HUD provides ECC/HANH with discretion to consider transfer requests from tenants. The only requests that ECC/HANH is required to consider are requests for reasonable accommodation. All other transfer requests are at the discretion of ECC/HANH. To avoid administrative costs and burdens, this policy limits the types of requests that will be considered by ECC/HANH.

Some transfers that are requested by tenants should be treated as higher priorities than others due to the more urgent need for the transfer.

#### 4-VI.B. TYPES OF RESIDENT REQUESTED TRANSFERS

ECC/HANH Policy

The types of requests for transfers that the Owner will consider are limited to requests for transfers to alleviate a serious or life threatening medical condition, transfers due to a threat of physical harm or criminal activity, reasonable accommodation, transfers to a different unit size as long as the family qualifies for the unit according to the Owner's occupancy standards, and transfers to a location closer to employment.

#### 4-VI.C. HIGH PRIORITY RESIDENT REQUESTED TRANSFERS

#### ECC/HANH Policy

The Owner will consider the following as high priority transfer requests with an applicable preference:

• Reasonable Accommodation –

When a transfer is needed to alleviate verified medical problems of a serious or life-threatening nature

When a family requests a transfer as a reasonable accommodation. Examples of a reasonable accommodation transfer include, but are not limited to, a transfer to a first floor unit for a person with mobility impairment, or a transfer to a unit with accessible features

#### • VAWA -

To qualify for the VAWA preference, the incident must have taken place no more than 90 calendar days prior to date of the Owner's receipt of transfer request and verified with the Reasonable Accommodation Manager through the VAWA process.

#### • Urgent –

When there has been a verified threat of physical harm or criminal activity. Such circumstances may, at the Owner's discretion, include an assessment by law enforcement indicating that a family member is the actual or potential victim of a criminal attack, retaliation for testimony, a hate crime, or domestic violence, dating violence, sexual assault, or stalking. For instances of domestic violence, dating violence, sexual assault, or stalking, the threat may also be established through documentation or by any proof accepted by the Owner.

In the event of an <u>urgent</u> transfer, involving violence or criminal activity against a family, the family will be placed on the transfer list with Crime and Safety preference and moved to an appropriately sized unit accordingly.

Such circumstances will include:

- Targeted violence- a family member is the actual or potential victim of a criminal attack, retaliation for testimony or hate crime and the threat of violence is verified by a law enforcement professional and/or agency.
- Inadvertent violence- to protect a family member from criminal activity that is occurring at the property of the community in which they are not the

targeted victim but request to be transferred for their safety and the threat of violence is verified by a law enforcement professional or agency.

#### 4-VI.D. REGULAR PRIORITY RESIDENT-REQUESTED TRANSFERS

#### **ECC/HANH Policy**

Existing elderly families shall be given preference to elderly-designated properties.

Other than the above, the regular priority resident requested transfer list is maintained in a first-come, first-served basis.

Transfers requested by the tenant are considered optional for the tenant.

#### 4-VI.E. ELIGIBILITY FOR TRANSFER

#### ECC/HANH Policy

Except for emergency transfers or for purposes of reasonable accommodation, Owner will only consider transfer requests from residents that meet the following requirements:

Have not engaged in criminal activity that threatens the health and safety or residents and staff

Owe no back rent or other charges, or have a pattern of late payment

Have no housekeeping lease violations or history of damaging property

Can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities)

A resident with housekeeping standards violations will not be transferred until the resident passes a follow-up housekeeping inspection.

Exceptions to the good record requirement may be made when it is to the Owner's advantage to make the transfer. Exceptions may also be made when ECC/HANH determines that a transfer is necessary to protect the health or safety of a resident who is a victim of domestic violence, dating violence, sexual assault, or stalking and who provides documentation of abuse.

If a family requested to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, the family will not be eligible to transfer to a larger size unit for a period of one year from the date of admission, unless they have a change in family size or composition, or it is needed as a reasonable accommodation.

#### 4-VI.F. SECURITY DEPOSITS

#### **ECC/HANH Policy**

When a family transfers from one unit to another, Owner will transfer their security deposit to the new unit. The tenant will be billed for any maintenance or others charges due for the "old" unit.

#### 4-VI.G. TRANSFER

ECC/HANH must pay moving expenses to transfer a resident with a disability to an accessible unit as an accommodation for the resident's disability [Notice PIH 2010-26].

#### ECC/HANH Policy

The resident will bear all of the costs of transfer s/he requests. However, Owner will bear the transfer costs when the transfer is done as a reasonable accommodation.

#### 4-VI.H. HANDLING OF REQUESTS

#### **ECC/HANH Policy**

Residents requesting a transfer to another unit or development will be required to submit a written request for transfer.

In case of a reasonable accommodation transfer, the Owner will encourage the resident to make the request in writing using a reasonable accommodation request form. However, the Owner will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

The Owner will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, by requiring more information or documentation from the family, such as documentation of domestic violence, dating violence, sexual assault, or stalking or taking no action when sufficient information to make a determination is not provided.

If the family does not meet the "good record" requirements, the manager will address the problem and, until resolved, the request for transfer will be denied.

The Owner will respond within 10 business days of the submission of the family's request. If Owner denies the request for transfer, the family will be informed of its grievance rights.

#### 4-VI.I. COST OF TRANSFER

ECC/HANH must pay moving expenses to transfer a resident with a disability to an accessible unit as an accommodation for the resident's disability [Notice PIH 2010-26].

#### ECC/HANH Policy

The resident will bear all of the costs of transfer s/he requests. However, the Owner will bear the transfer costs when the transfer is done as a reasonable accommodation.

#### 4-VI.J. HANDLING OF REQUESTS

#### **ECC/HANH Policy**

Residents requesting a transfer to another unit or development will be required to submit a written request for transfer.

In case of a reasonable accommodation transfer, the Owner will encourage the resident to make the request in writing using a reasonable accommodation request form. However, the Owner will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

The Owner will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, or by requiring more information or documentation from the family, such as documentation of domestic violence, dating violence, sexual assault, or stalking.

If the family does not meet the "good record" requirements, the manager will address the problem and, until resolved, the request for transfer will be denied.

The Owner will acknowledge the receipt of the transfer request within 10 business days. If ECC/HANH denies the request for transfer, the family will be informed of its grievance rights. Reasonable Accommodation requests will be verified by a 3<sup>rd</sup> party professional and ECC/HANH will respond within 10 business days of the approval of the reasonable accommodation request.

#### 4-VI.J REFUSAL FOR GOOD CAUSE

#### ECC/HANH Policy

Examples of good cause for refusal of a unit offer include, but are not limited to:

- The family demonstrates to ECC/HANH's satisfaction that accepting the unit offer will require an adult family member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.
- The family demonstrates to ECC/HANH's satisfaction that accepting the offer will place a family member's life, health, or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or documentation of domestic violence, dating violence, or stalking in accordance with section 16-VII.D of this ACOP. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.
- A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on final application) or live-in aide necessary to the care of the principal family member.
- The unit is inappropriate for the applicant's disabilities or approved reasonable accommodation, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.
- The unit has lead-based paint and the family includes children under the age of six.
- Other compelling reasons as approved by ECC/HANH.

ECC/HANH will require documentation of good cause for unit refusals.

#### Part II. Bid Protest

Disagreements over the award of a HANH contract, referred to as protests, may occasionally arise between the PHA and an offeror. Usually, the protestor asserts that he/she should have received the contract award and alleges that HANH did not conduct the competition appropriately. (Note: While protests are commonly referred to as bid protests, any type of contract award, including small purchase, competitive proposal, or sealed bid, may be protested by an unsuccessful offeror.) HANH, in accordance with sound business judgment, is responsible for the settlement of protests arising from the procurement process.

1. **Designation of Protest Officials**. The Contracting Officer shall be responsible for the receipt of any form bid protest in writing and with conducting the initial bid protest hearing. Bid protest must be submitted within ten (10) days of the award of contract by the Authority.

The Contracting Officer shall render an impartial decision regarding any bid protest.

- 2. **Appeal of Initial Bid Protest Decision**. If the Contracting Officer denies the bid offeror's bid protest, the protestor must request an appeal of said finding in writing no later than ten (10) days of the date of receipt of the decision of the Contracting Officer. The appeal hearing will be conducted by no less than two (2) members of the Board of Commissioners (i.e., the Service Committee or the Planning and Development Committee.) HANH may allow a contract to remain in place despite a successful protest in cases of emergency or unusual or compelling need for the supplies or services. - 8. **Denials.** HANH shall notify the protestor in writing of its decision and state the basis for the denial. The notification shall apprise the protestor of any appeal rights in accordance with our protest procedures.
- 9. **Appeal Procedures.** As stated above, appeal of the Contracting Officer's initial decision shall be heard by no fewer than two members of the Board of Commissioners (i.e., the Service Committee or the Planning and Development Committee). During Step 1, a committee will be appointed to evaluate technical proposals in accordance with the evaluation criteria stated in the RFP. The technical evaluation panel or committee performs the review of all technical proposals using the RFP's evaluation criteria.

For the purpose of conducting negotiations, proposals will be initially classified as acceptable, potentially acceptable, or unacceptable. The competitive range decision will consider the evaluation of both technical and cost/price proposals. Proposals determined by the Contracting Officer to be acceptable or potentially acceptable and that have a reasonable chance of award shall be included in the competitive range.

As part of the evaluation process, proposals classified as acceptable and potentially acceptable will be requested to present its proposal and demonstrate the system before the evaluation committee. Any information gained during the presentation(s) may be used in the evaluation of the proposal. Failure to honor this request will be grounds for rejection of the respondent's proposal with no further consideration given.

- Potentially acceptable (within range of 60-69 points) or
- Unacceptable (within range of 0-59 points).

Proposals deemed acceptable or potentially acceptable will be invited for an interview.

Once ECC/HANH has completed the review process, ECC/HANH will enter negotiations with the highest ranked firm selected by the evaluation criteria, with the intention of reaching a best and final offer on a fair and reasonable rate schedule for professional services. If an agreement cannot be reached, ECC/HANH will terminate negotiations with that firm and will proceed to the next-highest ranked firm until rates determined to be fair and reasonable to both parties are obtained. Please note that if negotiations are terminated with a firm, ECC/HANH may not go back to that firm for any additional negotiations – even if the next lower ranked respondent is higher in price.

ECC/HANH will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to ECC/HANH, cost or price and other factors, specified elsewhere in this solicitation, considered.

- Q1. Is it okay to submit how we run our incubator, or do you want us to submit using the format ECC provided?
- A1. As long as it covers the content of the Scope of Work
- Q2. Our program is 100% online. Is faced to face a requirement?
- A2. While virtual programming can be implemented, there needs to be a face-to-face interface component built into the program as well.
- Q3. Do you have an idea of how many residents are interested in this program?
- A3. The number varies. A cohort doesn't typically exceed 20 participants.
- Q4. Is there a Section 3 pipeline that ECC has for Section 3 business? For example, help business connect with contractors for bigger projects, etc.
- A4. The contractor would be able to interface with the Procurement Department to discuss Section 3 opportunities for resident participants.
- Q5. How do you provide payment? Is it based on students enrolled or is it based on students who complete the program?
- A5. All payments to be made by Authority to Contractor hereunder shall be calculated and made on a per student basis. To receive payment, each student must be enrolled in the program and attend, either physically or virtually, at lease fifty percent (50%) of all available programming each month.

Each month, Contractor shall submit with Contractor's invoice(s) for payment hereunder, for the particular invoice period, (a) the registration, attendance records (including, but not limited to sign-in sheets) for the particular invoice period, and (b) a summary report highlighting the services that were provided.

Q6. Is it your expectation that when a student withdraws from the program, the funds that's allocated to the student are forfeited or will the vendor still get paid?

A6. Funds are not allocated to a student. Each contract is built to support the varying needs Elm City Communities.

- Q7. This contract is good for one year, correct?
- A7. This contract is for one (1) year with an option to renew for an additional two (2) one-year contracts at the discretion of the President of ECC/HANH and the Contractor.
- Q8. Are we allowed to conduct outreach to the residents such as distribute flyers around the sites? **A8. It is expected that the contractor conduct outreach.**
- Q9. Is it your expectation that ECC will have a cohort all by themselves or can these students be in class with other housing authorities across the U.S.?
- A9. Given that the Resident Owned Business program is unique and not typical to other Section 3 programs with other Housing Authorities, the cohort should be exclusive to ECC/HANH residents.
- Q10. Is ECC moving to work?

A10. Yes

- Q11. Do you have an anticipated start date?
- A11. The Notice of Award will be issued shortly after Board approval, which may be held in February or March. The Notice to Proceed will be issued once the contractor has provided the required documentation.
- Q12. Can you provide previous lessons that you know have worked in the past?
- A12. No, as the previous lessons belong to previous contractors and are proprietary.
- Q13. Will HANH have a computer lab that can hold 20 students?
- A13. We have multiple labs that can each accommodate 8-10 on desktop computers.
- Q14. Will students have full computer access and WI-FI as opposed to smartphones?
- A14. Students attending programming on site would have desktop access and Wi-Fi.
- Q15. Is the offeror responsible for providing training on all specialized training modules or a selected number?
- A15. We are open to exploring a varied approach to curriculum and training delivery.
- Q16. Are offerors required to have HUD certifications? If so, which certifications?
- A16. Please refer to page 8 in the solicitation for all HUD related documents.

**TIMING:** Immediately

**DISCUSSION:** The Family Self-Sufficiency (FSS) action plan is required by HUD. The

purpose of the FSS action plan is to establish policies for conducting the family self-sufficiency program in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's Agency Plan. This FSS action plan is a supporting document to the PHA Agency Plan and is available for public review as required by 24 CFR Part

903.

The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources enabling families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency [984.101(a)(1)].

In addition to this broader national goal of the FSS program, the PHA also establishes a local goal consistent with the PHA's mission statement to serve as a guide for establishing policy and implementing the FSS program.

The **ECC/HANH** local goal in operating this FSS program is to match housing-assisted families with a broad range of highly collaborative existing community services to assist FSS families in achieving economic self-sufficiency. *Economic self-sufficiency* is defined as having the sustainable skills necessary to maintain employment paying a "living wage." This wage would pay for the family's basic needs without the use of government subsidies.

FISCAL IMPACT: None

#### THE FAMILY SELF-SUFFICIENCY PROGRAM AND THE FSS ACTION PLAN

#### INTRODUCTION

This chapter provides an overview of the family self-sufficiency (FSS) program and FSS action plan, including the purpose, organization, and required contents of the FSS action plan.

<u>Part I:</u> The Family Self-Sufficiency (FSS) Program and FSS Action Plan: This part provides an overview of the family self-sufficiency program and the purpose of the FSS action plan.

<u>Part II:</u> Requirements of the FSS Action Plan: This part covers action plan requirements, including development, revision, and contents of the action plan. It also contains information on family demographics, which is part of the required contents of the action plan.

## PART I: THE FAMILY SELF-SUFFICIENCY (FSS) PROGRAM AND FSS ACTION PLAN

#### 1-I.A. OVERVIEW OF THE FAMILY SELF-SUFFICIENCY PROGRAM

The origins of the FSS program are in two pilot projects implemented in 1986 and 1990, Project Self-Sufficiency and Operation Bootstrap, respectively. These projects were set up to test self-sufficiency programs for families with housing subsidies, and both demonstrated that families needed essential services to move toward economic self-sufficiency. These services include childcare, transportation, medical care, and long-term education and training.

In the wake of the successful demonstration of these projects, family self-sufficiency became one of the initiatives under the Homeownership and Housing Opportunities for People Everywhere (HOPE) program enacted in 1990, and the FSS program was subsequently created under the National Affordable Housing Act the same year.

FSS built upon and refined both Project Self-Sufficiency and the Bootstrap program. It remained a voluntary program in 1991 and 1992 but became mandatory in 1993 for any new increments of funding issued to PHA's. The 1993 regulations were further modified by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). In 2018, expansive changes were made to the FSS program by the Economic Growth, Regulatory Relief, and Consumer Protection Act known as "the Economic Growth Act" or "the Act."

The purpose of the FSS program is to coordinate housing assistance with public and private resources to enable assisted families to achieve economic self-sufficiency. The purpose and basic requirements of the FSS program are further elaborated upon in Chapter 2.

This family self-sufficiency program is administered by the Elm City Communities/Housing Authority of New Haven (ECC/HANH) for the jurisdiction of City of New Haven, CT/ County of New Haven.

#### 1-I.B. APPLICABLE REGULATIONS

Applicable regulations for Section 8 and public housing FSS programs include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 902: Public Housing Assessment System
- 24 CFR Part 903: Public Housing Agency Plans
- 24 CFR Part 945: Designated Housing
- 24 CFR Part 960: Public Housing Admission and Occupancy Policies
- 24 CFR Part 965: PHA-Owned or Leased Projects—General Provisions
- 24 CFR Part 966: Public Housing Lease and Grievance Procedures
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR Part 984: Section 8 and Public Housing Family Self-Sufficiency Program

#### 1-I.C. THE FAMILY SELF-SUFFICIENCY ACTION PLAN

The family self-sufficiency (FSS) action plan is required by HUD. The purpose of the FSS action plan is to establish policies for conducting the family self-sufficiency program in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's Agency Plan. This FSS action plan is a supporting document to the PHA Agency Plan and is available for public review as required by 24 CFR Part 903.

This family self-sufficiency action plan is set forth to define the PHA's local policies for operation of the program in the context of federal laws and regulations. All issues related to FSS not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable laws. The policies in this FSS action plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the FSS program. If such changes conflict with this plan, HUD regulations will take precedence. Administration of the FSS program and the functions and responsibilities of PHA staff shall comply with the PHA's personnel policy and HUD's family self-sufficiency regulations, as well as all Section 8 and public housing regulations, in addition to federal, state, and local fair housing laws and regulations.

#### PART II: REQUIREMENTS OF THE FSS ACTION PLAN

#### 1-II.A. OVERVIEW

A PHA must have a HUD-approved action plan before implementing an FSS program, regardless of whether the FSS program is a mandatory or voluntary program. Further, this action plan must comply with the requirements specified for the plan in the regulations [24 CFR 984.201(a)].

The regulatory requirements dealing specifically with the FSS action plan itself largely involve the development, revision, and required contents of the action plan. This part covers those requirements.

#### 1-II.B. HUD APPROACH TO POLICY DEVELOPMENT

In developing policy for the FSS action plan, PHA's need to be aware of the distinction HUD makes between mandatory and discretionary policies.

- *Mandatory policies* are those driven by legislation, regulations, current handbooks, notices, and legal opinions.
- *Discretionary policies* consist of those developed for areas in which the PHA has regulatory discretion, or regarding optional, nonbinding guidance including guidebooks, notices that have expired, and recommendations from individual HUD staff.

HUD expects PHA's to develop policies and procedures that are consistent with mandatory regulations and to make clear the optional policies the PHA has adopted. The PHA's FSS action plan is the foundation of those policies and procedures for the FSS program. HUD's directions require PHA's to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHA's should carefully consider those decisions.

#### 1-II.C. FSS ACTION PLAN DEVELOPMENT AND REVISION

#### Development of Action Plan [24 CFR 984.201(b) and (c)]

When developing an FSS action plan, a PHA must do so in consultation with the chief executive officer of the applicable unit of general local government and the program coordinating committee (PCC).

For all voluntary or mandatory FSS programs, the PHA must submit its action plan and obtain HUD approval of the plan before it can implement the FSS program. This includes a voluntary program established because the PHA chose to implement an FSS program that exceeds the minimum size for a mandatory program (see Section 2-II.A. for a discussion of mandatory versus voluntary FSS programs).

#### Single Action Plan [24 CFR 984.201(f)]

PHA's implementing both a Section 8 FSS program and a public or Indian housing FSS program may submit one action plan. In cases where the PHA decides to submit one plan for more than one program, the policies contained in the action plan would apply to both programs.

#### **PHA Policy**

The **ECC/HANH** is implementing both a public housing and Section 8 FSS program, which may include tenant-based and project-based Section 8, HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, Family Unification Program (FUP), and Foster Youth to Independence Initiative (FYI). The PHA will submit one action plan, the policies in which apply to both programs.

#### Revision to the FSS Action Plan [24 CFR 984.201(c)(2)]

Following HUD's initial approval of the action plan, no further approval of the action plan is required unless the PHA proposes to make policy changes to the action plan, increase the size of a voluntary program, or revise the FSS action plan as needed to comply with changes in HUD regulations. The PHA must submit any changes to the action plan to HUD for approval.

#### **PHA Policy**

The ECC/HANH will review the action plan at least once a year, and more often if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation. Should changes be necessary, such shall be updated and submitted for HUD approval.

#### 1-II.D. CONTENTS OF THE PLAN [24CFR 984.201(d)]

HUD regulations state that there are several components that must be included in the FSS action plan. At a minimum, the action plan must cover the policies and procedures of the PHA for operation of a local FSS program as follows:

- Family demographics, including a description of the number, size, characteristics, and other demographics such as racial and ethnic data, in addition to the supportive service needs of the families expected to participate in the program. (Chapter 1)
- Estimate of participating families, which means the number of families which can reasonably be expected to receive supportive services under the FSS program. (Chapter 2)
- Eligible families from any other local self-sufficiency program who are expected to agree to executing an FSS contract of participation. (Chapter 2)
- A statement of the PHA's FSS family selection procedures, including a description of how the procedures ensure that families are selected without regard to race, color, religion, disability, sex, familial status, or national origin. (Chapter 4)
- A description of the incentives that the PHA intends to offer to families to encourage participation in the FSS program (an incentives plan), including the establishment of the escrow account. (Chapter 4)
- Outreach efforts, which include a description of the PHA's efforts to recruit eligible families, the actions the PHA will take to ensure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known. (Chapter 4)
- A description of the FSS activities and supportive services to be provided by both public and private resources to FSS families, and identification of these public and private resources. (Chapter 4)
- A description of the PHA's method for identifying family support needs, including how the PHA will identify the needs and deliver the services. (Chapter 4)
- A description of the PHA's policies regarding program termination or withholding of services based on a family's failure to comply with the FSS contract, and available grievance procedures. (Chapter 5)
- Assurances of noninterference with rights of non-participating families which state that a family's election to not participate in the FSS program will not affect the family's admission to the Section 8 or public housing program, nor will it affect their right to occupancy in accordance with its lease. (Chapter 4)
- A timetable for implementation of the FSS program, including the schedule for filling FSS slots with eligible FSS families. (Chapter 2)

A certification that development of the services and activities under the FSS program has been
coordinated with programs under Title I of the Workforce Innovation and Opportunity Act,
other relevant employment, childcare, transportation, training, education, and financial
empowerment programs in the area, and will continue to be coordinated to avoid duplication of
services and activities.

#### Optional Additional Information [24 CFR 984.201(d)(13)].

• HUD encourages additional information in the action plan that would help to determine the soundness of the PHA's proposed FSS program.

#### PHA Policy

The ECC/HANH will submit additional optional information in this action plan that will help HUD determine the soundness of the proposed FSS program.

This information includes:

Policies related to the modification of goals in the ITSP. (Chapter 5)

Policies on the circumstances in which an extension of the CoP may be granted. (Chapter 5)

Policies on the interim disbursement of escrow, including any limitations on the use of the funds. (Chapter 6)

Policies regarding eligible uses of forfeited escrow funds by families in good standing. (Chapter 6)

Policies regarding the re-enrollment of previous FSS participants, including graduates and those who exited the program without graduating. (Chapter 4)

Policies on requirements for documentation for goal completion. (Chapter 4)

Policies on documentation of the household's designation of the "head of FSS family." (Chapter 4)

Policies for providing an FSS selection preference for porting families if the PHA elects to offer such a preference. (Chapter 7)

#### 1-II.E. FAMILY DEMOGRAPHICS [24 CFR 984.201(d)(1)]

As part of the required contents of the FSS action plan, family demographics of the Section 8 and public housing program participants serve to provide a description of the number, size, characteristics, and other descriptive data (including racial and ethnic data of those participants). These data may later be used to help the housing authority and the program coordinating committee (PCC) to identify supportive service needs of the families expected to participate in the FSS program.

### PURPOSE, SCOPE, AND APPLICABILITY OF THE FAMILY SELF-SUFFICIENCY PROGRAM

#### INTRODUCTION

This chapter contains information about the FSS program's purpose, size, and measurable objectives as well as information on program operation. This includes potential participant demographics, the program timetable, the number of families to be served, and the size of the PHA's voluntary FSS program. This chapter also contains definitions of the key terms in this FSS action plan.

<u>Part I:</u> The Purpose and Basic Requirements of the FSS program: This part includes a description of the purpose of the FSS program on a national level—its intent, goal, and major strategies.

<u>Part II:</u> The Scope of the FSS program: This part contains information about housing assistance programs eligible to participate in FSS, the size of the PHA's FSS program, an estimate of participating families, eligible families from other self-sufficiency programs, and eligibility for combined FSS programs.

<u>Part III: Program Operation:</u> This part specifies the requirements for FSS program operation, including voluntary FSS program implementation.

<u>Part IV:</u> The Definitions of Terms Used in the PHA's FSS program: This section contains both HUD and PHA definitions for terms used in this policy document.

#### PART I: PURPOSE AND BASIC REQUIREMENTS OF THE FSS PROGRAM

#### 2-I.A. PURPOSE

The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources enabling families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency [984.101(a)(1)].

In addition to this broader national goal of the FSS program, the PHA also establishes a local goal consistent with the PHA's mission statement to serve as a guide for establishing policy and implementing the FSS program.

#### **PHA Policy**

The **ECC/HANH** local goal in operating this FSS program is to match housing-assisted families with a broad range of highly collaborative existing community services to assist FSS families in achieving economic self-sufficiency. *Economic self-sufficiency* is defined as having the sustainable skills necessary to maintain employment paying a "living wage." This wage would pay for the family's basic needs without the use of government subsidies.

#### 2-I.B. PROGRAM OBJECTIVES [24 CFR 984.102]

In order to reach the FSS national program goal, HUD has defined its FSS program objective as to reduce the dependency of low-income families on welfare assistance and on housing subsidies. Under the FSS program, low-income families are provided opportunities for education, job training, counseling, and other forms of social service assistance while living in assisted housing so that they may obtain the education, employment, business and social skills necessary to achieve self-sufficiency. As with the goals of the program, FSS program objectives are defined on the national level through FSS regulation, and on the local level by PHA policy.

#### PHA Policy

On the local level, the **ECC/HANH** will achieve the national program objective by offering low-income families a broad range of services through partnering with the program coordinating committee (PCC). These services will provide long-term education, job training, counseling, and other forms of social service assistance so that families may achieve economic self-sufficiency, as defined in Section 2-I.A. of this document.

#### 2-I.C. BASIC REQUIREMENTS OF THE FSS PROGRAM [24 CFR 984.104]

An FSS program established under 24 CFR Part 984 must operate in conformity with the regulations and this FSS action plan (as required in 24 CFR 984.201, provide comprehensive supportive services as defined in 24 CFR 984.103, and operate in compliance with nondiscrimination and equal opportunity requirements.

#### PART II: SCOPE OF THE FSS PROGRAM

#### 2-II.A. HOUSING-ASSISTED FAMILIES ELIGIBLE TO PARTICIPATE IN FSS

The Section 8 and public housing programs through which families are eligible to participate in the FSS program was expanded by the 2018 Economic Growth Act to allow participants in HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, and Family Unification Program (FUP), including the Foster Youth to Independence (FYI) Initiative.

#### 2-II.B. PHA'S REQUIRED TO OPERATE AN FSS PROGRAM

Each PHA that received funding for public housing units under the FY 1991 and FY 1992 FSS incentive award competitions must operate a public housing FSS program. Each PHA that received funding for Section 8 rental certificates or vouchers under the combined FY 1991/1992 FSS incentive award competition also must operate a Section 8 FSS program.

In addition, unless the PHA receives an exemption under 24 CFR 984.105, each PHA for which HUD reserved funding (budget authority) for additional rental certificates or vouchers in FY 1993 through October 20, 1998, must operate a Section 8 FSS program. Each PHA for which HUD reserved funding (budget authority) to acquire or construct additional public housing units in FY 1993 through October 20, 1998, must operate a public housing FSS program as well.

Every PHA that was required to administer an FSS program on May 24, 2018 (the enactment date of the Economic Growth, Regulatory Relief, and Consumer Protection Act) must continue to operate that FSS program for the total number of families determined by HUD on that date unless the PHA receives an exception as described in 24 CFR 984.105(d).

#### Mandatory Minimum Program Size (MMPS) [24 CFR 984.105]

PHA's that are required to operate an FSS program under 24 CFR 984.101 are subject to a minimum program size requirement.

#### PHA Minimum Program Size

As determined by HUD as of May 24, 2018, the PHA's FSS MMPS is *[insert MMPS]*here]. The ECC/HANH FSS program does not have a minimum program size requirement as the program has been and remains voluntary since inception.

#### **Maintaining Mandatory Minimum Program Size**

Although the discretion to do so ultimately rests with the PHA, mandatory minimum program size can decrease as FSS participants successfully complete the program. Per the regulation, for each family that completes the program by fulfilling its FSS contract of participation on or after May 24, 2018, the mandatory minimum program size for a PHA's FSS program is reduced by one slot. However, if an FSS slot is vacated by a family that has not completed its FSS contract of participation obligations, the slot must be filled by a replacement family which has been selected in accordance with the FSS family selection procedures [24 CFR 984.105(b)(2)].

#### PHA Policy

The PHA will reduce the FSS mandatory minimum program size by one for each family that completes the program by fulfilling its FSS contract of participation. The ECC/HANH FSS program does not have a minimum program size requirement as the program has been and remains voluntary since inception; therefore, there is no need to reduce the program size.

#### **Option to Operate Larger FSS Program**

A PHA may choose to operate an FSS program of a larger size than the minimum required by HUD [24 CFR 984.105(a)(3)].

#### PHA Policy

The PHA will not operate an FSS program of a larger size than its mandatory minimum program size. The ECC/HANH FSS program has been and remains voluntary since inception; therefore, the program size shall not be increased.

#### Exception to Program Operation [24 CFR 984.105(c)]

The requirement to establish and carry out an FSS program may be waived with approval from HUD. In order to waive the requirement, the PHA must provide a certification to HUD that the establishment and operation of an FSS program is not feasible because of a lack of accessible supportive services funding, a lack of the availability of programs under the Workforce Innovation and Opportunity Act, a lack of funding for reasonable administrative costs, a lack of cooperation by other units of state or local government, or a lack of interest in participating in the FSS program on the part of eligible families.

An exception will not be granted if HUD determines that local circumstances do not preclude the PHA from effectively operating an FSS program that is smaller than the minimum program size.

#### Reduction in Program Size

Rather than a full exception to program operation, a PHA may also be permitted to operate an FSS program that is smaller than the minimum program size. As with the full exception, HUD may grant the PHA such a partial exception if the PHA provides to HUD a certification that the operation of an FSS program of the minimum program size is not feasible because of a decrease in or lack of accessible supportive services [24 CFR 984.105(d)].

#### **Expiration of Exception**

The approval for a full or partial exception to the FSS minimum program size requirement expires five years from the date of HUD approval of the exception. If a PHA seeks to continue an exception after its expiration, the PHA must submit a new request and a new certification to HUD for consideration [24 CFR 984.105(e)].

#### 2-II.C. COOPERATIVE AGREEMENTS [24 CFR 984.106]

A PHA may enter into a Cooperative Agreement with one or more multifamily-assisted housing owners to voluntarily make the PHA's FSS program available to the owner's housing tenants. The Cooperative Agreement must include all the requirements for such agreements found in 24 CFR 984.106 and 24 CFR 887.107.

#### PHA Policy

The **ECC/HANH** does not have any agreements with Project Based Rental Assistance programs.

#### 2-II.D. ESTIMATE OF PARTICIPATING FAMILIES [24 CFR 984.201(d)(2)]

The PHA must state the number of eligible FSS families who can reasonably be expected to receive supportive services under the FSS program based on available and anticipated federal, tribal, state, local, and private resources.

#### PHA Policy

The ECC/HANH can reasonably expect that one hundred and fifty (150) eligible FSS families receive supportive services under the FSS program, based on available and anticipated federal, tribal, state, local, and private resources.

# 2-II.E. ELIGIBLE FAMILIES FROM OTHER SELF-SUFFICIENCY PROGRAMS [24 CFR 984.201(d)(3)]

If applicable, the PHA must enter the number of families, by program type, who are participating in any other local housing self-sufficiency program who are expected to agree to execute an FSS contract of participation.

#### PHA Policy

The PHA operates other self-sufficiency programs and below is a chart that includes additional families from other MTW programs who may execute an FSS contract of participation. The ECC/HANH does not provide services to other local housing self-sufficiency programs, unless otherwise enrolled via applicable portability policy (*Chapter* 7).

#### 2-II.F. ELIGIBILITY OF A COMBINED PROGRAM [24 CFR 984.201(e)]

A PHA that wishes to operate a joint FSS program with other PHA's or owners of multifamily-assisted housing may combine its resources with one or more of these entities to deliver supportive services under a joint action plan that will provide for the establishment and operation of a combined FSS program that meets the requirements of this part.

### **PHA Policy**

The **ECC/HANH** will not combine its resources with any other PHA to deliver support services, have a joint action plan, or establish or operate a combined FSS Program.

#### PART III: PROGRAM OPERATION

#### 2-III.A. OVERVIEW

Federal regulations specify requirements for FSS program operation regarding deadlines for program start-up and when the PHA is expected to have attained full enrollment. A timetable illustrating when the PHA intends to meet these deadlines is included as part of the required contents of the action plan.

#### 2-III.B. PROGRAM IMPLEMENTATION DEADLINE

The deadlines for program implementation differ depending on whether the FSS program is voluntary or mandatory.

#### Voluntary Program [24 CFR 984.301(a)]

There is no deadline for implementation of a voluntary program. However, a voluntary program may not be implemented before the requirements specified in 24 CFR 984.201 have been satisfied (see Sections 1-II.A.–1-II.D.).

### 2-III.C. TIMETABLE FOR PROGRAM IMPLEMENTATION [24 CFR 984.201(d)(13)]

A timetable for implementation of the FSS program is part of the required contents of the FSS action plan.

#### **PHA Policy**

The **ECC/HANH** has implemented a voluntary FSS program. The program was implemented within one year from the date of approval by the HUD field office and within the time identified in the applicable FSS funding contract with HUD.

The ECC/HANH FSS program has been and remains voluntary since inception.

The ECC/HANH can reasonably expect to enroll up-to one hundred and fifty (150) eligible FSS families to receive supportive services under the FSS program. For mandatory FSS programs, the PHA has the obligation to continue to fill their mandatory FSS slots effective May 24, 2018, as determined by the HUD field office. Completed and will enroll up to our program size of one-hundred and fifty (150).

#### The ECC/HANH has implemented its FSS program according to the following timetable:

## Chapter 3

#### PROGRAM ADMINISTRATION

#### INTRODUCTION

This chapter discusses administrative policies and practices as they are relevant to the activities covered in this plan. The policies and practices are discussed in two parts:

<u>Part I:</u> Staffing, Fees and Costs, and On-Site Facilities: This part describes identifying appropriate staff and contractors to operate the FSS program and provide the necessary direct services to FSS families. In addition, it describes how administrative fees, costs, and supportive services will be funded, and defines the use of on-site facilities.

<u>Part II:</u> The Program Coordinating Committee: This part covers the establishment of a program coordinating committee (PCC), which is a regulatory requirement in all FSS programs other than multifamily housing assistance. It describes required and recommended PCC membership, in addition to the option for an alternative committee.

## PART I: STAFFING, FEES AND COSTS, AND ON-SITE FACILITIES

#### 3-I.A. OVERVIEW

Several functions of program administration are crucial to running an FSS program. A PHA may need to employ a program coordinator or decide to contract with another organization to administer the program. In addition to staffing issues, PHA's should understand how program funding and expenses work to keep the program running smoothly. Finally, PHA's need to sort out whether and how to make common areas or unoccupied units available to provide supportive services.

# 3-I.B. PROGRAM ADMINISTRATION STAFF AND CONTRACTORS [24 CFR 984.301(b)]

PHA's have the choice between hiring their own staff and contracting with an outside organization to administer their FSS program. If the PHA should choose to employ its own staff, the staffing levels should be appropriate, and may include one or more FSS Coordinators. If the PHA chooses to contract with an outside organization, the organization's staffing levels must likewise be appropriate to establish and administer the FSS program, and whether the organization's responsibilities would include managing the FSS account in accordance with federal regulations.

#### **PHA Policy**

The **ECC/HANH** will employ appropriate staff, including one or more FSS Program Coordinator(s) to administer its FSS program.

## 3-I.C. FSS PROGRAM COORDINATOR(S) RESPONSIBILTIES

## Primary Role of the FSS Program Coordinator(s)

The FSS Program Coordinator(s) is responsible for building partnerships with service providers in the community, working with the Program Coordinating Committee (PCC) and local service providers to ensure that FSS program participants are linked to the supportive services they need to achieve self-sufficiency, preparing an Individual Training and Services Plan (ITSP) for the head of the FSS family and each adult member of the FSS family who elects to participate in the FSS program, making certain that the services included in the participants' CoP are provided on a regular, ongoing, and satisfactory basis, ensuring FSS participants are fulfilling their responsibilities under the CoPs, monitoring progress of participants, and establishing and properly maintaining FSS escrow accounts for eligible families. FSS Coordinators may also provide outreach, recruitment, goal setting, case management and coaching for FSS participants, and tracking of FSS program performance.

FSS Program Coordinator(s) funded under the FSS Coordinator Notice of Funding Opportunity (NOFO) may not perform the routine public housing or Section 8 program functions of housing eligibility, leasing, rent calculation, and portability that are funded through Section 8 administrative fees or public housing operating funds unless doing so would enhance the effectiveness of the program. If conducting these functions would enhance the effectiveness of the FSS program, the PHA must seek prior approval from HUD of those enhancements to the FSS program and certify that doing so will neither interfere with the FSS Coordinator's ability to fulfill their primary role nor be used to balance or fill in for gaps in traditional staffing.

Performance of routine Section 8 or public housing functions for non-FSS families does not enhance the effectiveness of the FSS program and is therefore an ineligible use of FSS funds [2021 FSS NOFO, p. 36].

## **PHA Policy**

The **ECC/HANH** will not require the FSS Program Coordinator(s)to perform the routine Section 8 or public housing program functions of housing eligibility, leasing, rent calculation, and portability that are funded through Section 8 administrative fees or public housing operating funds.

#### 3-I.D. ADMINISTRATIVE FEES AND COSTS

The Consolidated Appropriations Act of 2014 combined funding streams for the Section 8 and public housing FSS programs. FSS funding is now awarded through one NOFO. Use of this funding is no longer restricted to the applicable program and funding now may be used to serve both Section 8 and public housing FSS participants. Funding for FSS Coordinators salary, benefits, and training as well as limited administrative costs is awarded through a Grant Agreement and disbursed through HUD's Line of Credit Control System (LOCCS), rather than as an amendment to the PHA's Annual Contributions Contract (ACC). These funds are separate from other available funds that may be used.

#### **Section 8 FSS Program**

In the Section 8 programs, administrative fees are paid to PHA's for HUD-approved costs associated with the operation of an FSS program. These administrative fees are established by Congress and subject to appropriations [24 CFR 984.302(b)].

In addition, administrative fees for HUD-approved costs not specifically related to the operation of the FSS program may be used to cover these costs associated with the administration of FSS [see Notice PIH 93-24 E-7 and E-8].

See 24 CFR 982.152 and PIH 2022-18 for details on the eligible use of administrative fees.

## **Public Housing FSS Program**

For public housing FSS programs, the performance funding system (PFS), provided under section 9(a) of the 1937 Act, provides for the reasonable and eligible administrative costs that the PHA incurs in carrying out the program only when funds have been appropriated. However, a PHA may use other resources for this purpose [24 CFR 984.302(a)].

In other words, the PHA may fund reasonable and eligible administrative costs in the FSS program from the Operating Fund. However, these expenses will only be reimbursed in the operating subsidy when a current appropriations act allows it. In addition, the PHA may fund reasonable and eligible administrative costs from the Capital Fund. Administrative staffing costs may also be funded through HUD or other grant or foundation sources. This includes FSS Coordinator grants when available.

#### PHA Policy

The ECC/HANH will make [insert amounts and source of funds to be made available] available to provide administrative costs under the [insert Section 8 or public housing FSS program, or both]. FSS funding is awarded through one NOFO grant to cover the salaries, fringe benefits, and training for the FSS Program Coordinator(s)(s).

#### 3-I.E. SUPPORTIVE SERVICES FEES AND COSTS

#### **Section 8 FSS Supportive Services**

In the Section 8 program, the PHA may fund reasonable and eligible FSS supportive service costs in the FSS program from unrestricted net position [see Notice PIH 93-24, E-3].

The PHA may seek additional funds from HUD through submitting grant applications or seek grants from other sources when available.

In addition to unrestricted net position and other grant sources, the FSS forfeited escrow account can fund FSS supportive services. See Section 6-I.E.for eligible supportive services costs.

## **Public Housing FSS Supportive Services**

In public housing, the PHA may fund reasonable and eligible FSS supportive service costs in the FSS program from the Operating Fund. However, the costs of FSS supportive services are only reimbursed through the operating subsidy when appropriations allow it.

FSS public housing supportive services can also be funded through other HUD grants or related government and foundation grants, when available.

## PHA Policy

The PHA will make *[insert amounts and source of funds to be made available]* available to provide supportive service costs under the FSS Program.

#### 3-I.F. USE OF FORFEITED ESCROW ACCOUNTS FUNDS

In addition to Section 8 unrestricted net assets, public housing operating funds, and other grant sources, the FSS forfeited escrow account funds must be used for the benefit of FSS participants, which includes supports and other costs for FSS participants in good standing. HUD does not provide an exhaustive list of these supports. However, the supports include, but are not limited to, transportation, childcare, training, testing fees, employment preparation costs, and other costs related to achieving obligations outlined in the contract of participation as well as training for FSS Program Coordinator(s)(s).

## **PHA Policy**

The **ECC/HANH** will use forfeited escrow accounts (*as/if available*) for support and other costs for FSS participants in good standing when funds requested are needed to complete an interim goal or task in the ITSP and are *not* ongoing expenses. Ongoing expenses are defined as but not limited to: *rent, security deposits, credit card bill payments, utilities, telephone, cell phone, pager, car payments, tax payments, insurances.* 

The **ECC/HANH** will use forfeited escrow account funds if the family has a demonstrated need for a one-time payment of otherwise ongoing expenses (*i.e.* car maintenance, or childcare), to complete an interim goal, a final goal, or a task related to such goals.

The funds requested may be up-to a \$300 one-time payment per participating family during the term of the CoP.

Documentation of enrollment, services needed, and accounts to be paid, are provided by head of FSS family or participant.

Vendors complete and provide W-9 form for funds to be released directly to them upon approval. In some cases, three (3) estimates/quotes shall be requested of the participant from applicable/eligible vendors. All vendors/businesses must be registered in the state of Connecticut.

The **ECC/HANH** will use forfeited escrow accounts for training provided to FSS Coordinators.

The ECC/HANH will define *supports* as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s)(s).

The ECC/HANH will define other costs related to achieving obligations in the CoP as any costs necessary to complete an interim goal, a final goal, or tasks related to such in the ITSP as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s)(s).

The **ECC/HANH** will define *necessary to complete* as meaning that no other resources are available in the community either because such a resource is non-existent or that resources are utilized above capacity and agencies cannot, for an indetermined period, provide such a resource.

The **ECC/HANH** will provide funds (*as/if available*) from the forfeited escrow account to FSS participants in good standing before requiring the participant to use an "interim" disbursement from *their* current escrow account as long as:

The funds requested are needed to complete an interim goal or task within the CoP and are not ongoing expenses. Ongoing expenses are defined as but not limited to: rent, security deposits, credit card bill payments, utilities, telephone, cell phone, pager, car payments, tax payments, insurances.

If the family has a demonstrated need for a one-time payment of otherwise ongoing expenses (i.e. car maintenance, or childcare), to complete an interim goal, a final goal, or a task related to such goals.

The funds requested may be up-to a \$300 one-time payment per participating family during the term of the CoP.

Documentation of enrollment, services needed, and accounts to be paid, are provided by head of FSS family or participant.

Vendors complete and provide W-9 form for funds to be released directly to them upon approval. In some cases, three (3) estimates/quotes shall be requested of the participant from applicable/eligible vendors. All vendors/businesses must be registered in the state of Connecticut.

The ECC/HANH will prioritize requests for funds from forfeited escrow accounts on a first come first served basis based on the date and time of the request.

#### 3-I.G. ON-SITE FACILITIES

Each PHA may, subject to the approval of HUD, make available and utilize common areas or unoccupied dwelling units in public housing projects to provide supportive services under an FSS program. This includes using such areas for participants in a Section 8 FSS program.

#### PHA Policy

The ECC/HANH will make the community rooms and computer labs at any of our LIPH or 360 Management sites [Mill River Crossings, Quinnipiac Terrace, The Place for Families @ 295 Wilmot Rd] available to provide supportive services under the Community & Economic Development Department FSS program.

#### PART II: PROGRAM COORDINATING COMMITTEE

#### 3-II.A. OVERVIEW

As another integral part of FSS program administration, each participating PHA must establish a Program Coordinating Committee (**PCC**) whose functions will be to assist the PHA in securing commitments of public and private resources for the operation of the FSS program within the PHA's jurisdiction, including assistance in developing the action plan and in implementing the program [24 CFR 984.202(a)].

The PCC must consist of specific members, which are dependent upon whether the PHA is operating Section 8, public housing, or multifamily assisted housing FSS programs. In addition to these required members, the PCC may also include additional members recommended by regulation.

#### 3-II.B. PROGRAM COORDINATING COMMITTEE MEMBERSHIP

Required PCC Membership [24 CFR 984.202(b)(1)]

The PCC required members consist of representatives of the PHA, including at least one FSS Program Coordinator(s), and one or more participants from each HUD rental assistance program (Section 8, public housing, or multifamily assisted housing) served by the PHA's FSS program.

## **PHA Policy**

The **ECC/HANH's** representatives of the PCC will be the Director of the Community and Economic Development department, at least one FSS Program Coordinator(s) and one or more participants from each of the housing programs in which there is an FSS program: Section 8, public housing, and multifamily assisted housing, as applicable.

Assistance in Identifying Potential PCC Members [24 CFR 984.202(b)(1)] The PHA may seek assistance from area-wide, city-wide, or development-based resident councils, the resident management corporation, or the Resident Advisory Board, in identifying potential PCC members.

## **PHA Policy**

The PHA will seek assistance in identifying potential members of the PCC from area-wide, city-wide, and development-based resident councils, the resident management corporation, or the Resident Advisory Board.

Recommended PCC Membership [24 CFR 984.202(b)(2)]

Membership on the PCC also may include representatives of the unit of general local government served by the PHA, local agencies (if any) responsible for carrying out employment training programs or programs funded under the Workforce Innovation and Investment Act, and other organizations, such as other state, local, or tribal welfare and employment agencies, public and private education or training institutions, child care providers, nonprofit service providers, private business, and any other public and private service providers with resources to assist the FSS program.

#### **PHA Policy**

The PHA's FSS program coordinating committee membership will include leadership from the following organizations:

[Enter the names of representative organizations in PCC]

## 3-II.C. ALTERNATIVE PCC COMMITTEE [24 CFR 984.202©]

It is also possible for the PHA, in consultation with the Chief Executive Officer of the unit of general local government served by the PHA, to use an existing entity as the PCC, if the membership of the existing entity consists or will consist of the individuals required by regulation (See section 3-II.B. above).

## PHA Policy

The PHA will not utilize an existing entity as its program coordinating committee.

## Chapter 4

#### **SELECTING AND SERVING FSS FAMILIES**

#### INTRODUCTION

FSS regulations require that the PHA include in its action plan a statement indicating how it will select families for participation in the FSS program. This includes outreach, waiting list management, and other selection procedures. When followed, the PHA's selection procedures ensure that families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

Once selected for participation in the FSS program, families are to be provided various activities and supportive services so that they may obtain the education, employment, business, and social skills necessary to achieve self-sufficiency. A description of such activities and supportive services is also a requirement of the FSS action plan.

This chapter contains three parts:

<u>Part I:</u> Incentives, Outreach, and Assurance of Noninterference: This part describes the incentives the PHA will offer and the outreach efforts the PHA will use to encourage participation and recruit eligible families for the FSS program and contains the required assurance of noninterference with the rights of nonparticipating families.

<u>Part II: Family Selection:</u> This part covers whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so. In addition, this part describes the selection factors the PHA will use in screening families for participation in the FSS program.

<u>Part III: Activities and Support Services:</u> This part lists the activities and supportive services to be provided to families through both public and private resources, describes the method the PHA will use to identify family support needs, and covers the required certification of coordination.

PART I: INCENTIVES, OUTREACH, AND ASSURANCE OF NONINTERFERENCE

4-I.A. OVERVIEW

The FSS program offers incentives such as the FSS escrow account, case management, coaching, and other supportive services that not only encourage participation, but also help families achieve self-sufficiency. In addition to encouraging program participation through such incentives, PHA's also conduct outreach to recruit FSS participants from among eligible families. As part of this process, families need to know that their choice as to whether to participate in the FSS program will not affect their admission to the Section 8 or public housing programs, nor will it affect their right to occupancy. This part describes the PHA's policies regarding these issues, all of which are required aspects of the FSS action plan.

## 4-I.B. INCENTIVES FOR PARTICIPATION [24 984.201(d)(5)]

By regulation, the FSS action plan must include a PHA's incentives plan—a description of the incentives that the PHA intends to offer eligible families to encourage their participation in the FSS program. The incentives plan provides for the establishment of the FSS escrow account and any other incentives designed by the PHA.

## PHA Policy

The ECC/HANH will offer the following services, as needed to complete obligations in the contract, to its FSS participants as incentives to participate in FSS.

Incentive	Provided By	Description

## 4-I.C. OUTREACH EFFORTS [24 CFR 984.201(d)(6)(i)(ii)]

In addition to offering incentives for FSS participation, PHA's also conduct outreach to recruit more FSS participants from eligible families. The FSS action plan must include a description of these efforts to recruit FSS participants, including notification and outreach, the actions the PHA will take to assure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known.

## **PHA Policy**

The ECC/HANH will notify eligible families about the FSS program using the following outreach locations, activities, methods, and languages, where appropriate. These points of contact and methods have been selected to ensure that both minority and nonminority groups are informed about the FSS program.

# 4-I.D. ASSURANCE OF NONINTERFERENCE WITH THE RIGHTS OF NONPARTICIPATING FAMILIES [24 CFR 984.201(d)(10)]

A family's housing assistance or admission into assisted housing should never depend on whether they choose to participate in the FSS program, and PHA's need to make this known as part of the recruitment process. For this reason, the PHA's action plan must include an assurance that a family's decision to not participate in the FSS program will not affect the family's admission to the Section 8 or public housing programs, nor will it affect the family's right to occupancy in accordance with the lease.

## **PHA Policy**

Participation in the FSS program is strictly voluntary. Section 8 participants and public housing residents will be notified in all literature and media presentations related to the FSS program that should they decide to not participate in the FSS program, it will not affect their Section 8 or public housing. This material will also specify that the family will retain the right to occupancy according to their lease and family obligations contract.

#### PART II: FAMILY SELECTION

#### 4-II.A. OVERIVEW

The FSS action plan is required to contain a statement indicating the procedures for selecting families for FSS program participation, including a description of how the PHA will do so without regard to race, color, religion, sex (including actual or perceived gender identity), familial status, or national origin. This part describes these procedures, considering whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so, in addition to defining the factors the PHA will use in screening families for program participation.

#### 4-II.B. FSS SELECTION PREFERENCES

As part of the process for selecting families for participation in the FSS program, the PHA may choose whether to employ the use of preferences. If the PHA so chooses, it has the option of giving a selection preference for up to 50 percent of its FSS program slots to eligible families who have one or more family members currently enrolled in an FSS-related service program or who are on the waiting list for such a program. Such a preference may be further limited to participants in and applicants for one or more specific eligible FSS-related service programs.

Should the PHA choose to adopt such a preference, it would need to include the following information in its action plan:

- The percentage of FSS slots, not to exceed 50 percent of the total number of FSS slots for each of its FSS programs, for which it will give a selection preference
- The FSS related service programs to which it will give a selection preference to the programs' participants and applicants
- The method of outreach to and selection of families with one or more members participating in the identified programs [24 CFR 984.203(a)]

A PHA may wish to adopt additional selection preferences as well [Notice PIH 93-24].

## **PHA Policy**

The **ECC/HANH** will give a selection preference on its FSS waiting list for Section 8 families porting into the **ECC/HANH** jurisdiction with an active FSS Program CoP. Participants will be enrolled in the FSS Program as/if slots become available.

The **ECC/HANH** will provide a selection preference for 25 percent of its FSS program slots to eligible families who have one or more family members currently enrolled in, or on the waiting list of the **ECC/HANH's** PCC partners for self-sufficiency related activities.

The PHA may use either of the following to select among applicants on the FSS waiting list with the same preference status [24 CFR 984.203(b)]:

- Date and time of application to the FSS program; or
- A drawing or other random choice technique.

## PHA Policy

The **ECC/HANH** will use the date and time the family expressed an interest in participating in the FSS program via completion of the pre-enrollment form to fill the FSS Program slots.

#### 4-II.C. SELECTION FACTORS

Many factors contribute to whether a PHA may choose to select a family for participation in the FSS program. These selection factors can help the PHA screen families for admission, and ultimately contribute to the PHA's decision to either allow or deny a family's admission into the FSS program.

## **Motivation Selection Factors [24 CFR 984.203(d)(1)]**

A PHA may screen families for interest and motivation to participate in the FSS program provided that the factors utilized by the PHA are those which solely measure the family's interest and motivation to participate in the FSS program. For this reason, PHA's must only apply motivational screening factors that are permissible under the regulations.

#### **Permissible Motivation Selection Factors**

Permitted motivational factors include requiring attendance at FSS orientation sessions or preselection interviews or assigning certain tasks indicating the family's willingness to undertake the obligations that may be imposed by the FSS contract of participation. However, any tasks assigned should be readily accomplishable by the family based on the family members' educational level, abilities, or disabilities, if any. Reasonable accommodations must be made for individuals whose disability (mobility, manual, sensory, speech impairments, mental, or developmental disabilities) creates a barrier to accomplishing the tasks [24 CFR 984.203(d)(2)].

## PHA Policy

The ECC/HANH will screen families for interest and motivation to participate in the FSS program by assigning a meeting or workshop which is the same type of meeting or workshop for each family. The PHA will only use the fact that the family attended as a screening factor, even if tasks or exercises are not completed in the meeting. In addition, if the family needs either childcare or transportation to be able to attend, or requests an accommodation for a disability, the ECC/HANH will either refer the family to available services or exempt the family from this screening factor.

#### **Prohibited Motivation Selection Factors**

Prohibited motivational screening factors include the family's educational level, educational or standardized motivational test results, previous job history or job performance, credit rating, marital status, number of children, or other factors, such as sensory or manual skills, and any factors which may result in discriminatory practices or treatment toward individuals with disabilities or minority or nonminority groups [24 CFR 984.203(d)(3)].

#### **Other Selection Factors**

In addition to motivational screening, the PHA may also wish to screen families for the following additional factors.

#### **PHA Debt Selection Factor**

The PHA may deny FSS participation to a family if the family owes the PHA, or another PHA, money in connection with Section 8 or public housing assistance [Notice PIH 93-24, B-18].

## **PHA Policy**

The ECC/HANH will deny FSS program participation to a family if the family owes the ECC/HANH, or another PHA, money in connection with Section 8 or public housing assistance. Families that owe money to a PHA who have entered into a repayment agreement and are current on that repayment agreement will not be denied FSS program participation.

#### **Unavailable Support Services Selection Factor**

If the PHA determines, after consulting with the family, that a missing service is essential to the family's needs, the PHA may skip that family (and other similar families) and offer the FSS slot to the next family for which there are available services [Notice PIH 93-24, B-8].

## PHA Policy

The ECC/HANH may skip a family seeking FSS program participation if it is determined that a missing service is essential to the family's needs and will offer the FSS slot to the next family for which there are available services. The family shall be notified in writing of the decision; however, should the family choose to participate, a written certification shall be obtained by the family.

#### **Previous Participation Selection Factor**

A PHA may refuse to select a family for participation in the FSS program a second time if that family previously participated unsuccessfully (i.e., the family participated, did not meet its FSS obligations, and was terminated from the FSS program) [Notice PIH 93-24, B-14].

## **PHA Policy**

The **ECC/HANH** will not refuse to select a family for participation in the FSS program a second time if that family previously participated and did not complete all ITSP goals. The following participants will be eligible to re-apply as long as they exited the program in good standing:

- Voluntarily Self-Withdrew
- Serious illness
- Unexpected life circumstances (i.e. death in the family, financial deterrents, involuntary loss of employment)

Applicants may re-apply no earlier than one (1) year post withdrawal. If there is a current waiting list, the family will be placed on the waiting list based on the date and time the family expressed interest via pre-enrollment form.

#### 4-II.D. SELECTION OF HEAD OF HOUSEHOLD

Each eligible family that is selected to participate in an FSS program must enter a contract of participation with the PHA. There will be no more than one contract at any time for each family. There may be an ITSP for as many members of the family who wish to participate. The contract shall be signed by a representative of the PHA and the head of FSS family, as designated by the family. This head of FSS family does not have to be the same as the official head of household for rental assistance purposes [24 CFR 984.303(a)].

## **PHA Policy**

The ECC/HANH will meet with the family and detail the obligations, rights, and privileges that pertain to the FSS head of household and require each adult family member to certify their agreement as to their designated FSS head of household. These certifications will be a permanent part of the FSS family's record and will be updated with each change of head of household.

#### PART III: ACTIVITIES AND SUPPORT SERVICES

#### 4-III.A. OVERVIEW

Once families are admitted to the FSS program, the PHA becomes responsible for making sure these families are adequately served. The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources, to enable families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency. As such, upon selection, families are matched with the appropriate activities and supportive services so that they may obtain the education, employment, and business and social skills necessary to achieve self-sufficiency. This is a vital element of the FSS program. The PHA must make a good faith effort to replace the obtained services from another agency.

## 4-III.B. METHOD OF IDENTIFYING FAMILY SUPPORT NEEDS [24 CFR 984.201(d)(8)]

Before a PHA can determine the services and activities it will provide to FSS families, it must identify the services and activities appropriate to each family. The action plan must contain a description of how the program will identify the needs of FSS families and deliver the services and activities according to these needs.

## PHA Policy

Supportive services needs will be identified by completion of a needs assessment with the FSS Program Coordinator(s) before completion of the initial ITSP and signing of the CoP. After enrollment in the ECC/HANH's FSS program, continual needs assessments (*i.e.* vocational, educational, financial, counseling, and employment planning) will be conducted by FSS Program Coordinator(s) and/or partners of the PCC. These results are used to modify the ITSP, in mutual agreement with the family. Referrals may be made as appropriate.

# 4-III.C. FSS ACTIVITIES AND SUPPORT SERVICES DESCRIPTION [24 CFR 984.201(d)(7)]

As part of the required contents of the action plan, PHA's must both describe the activities and supportive services to be provided by public and private resources to FSS families and identify the public and private resources that are expected to provide the supportive services.

Of course, this task assumes that the PHA has first identified the needed activities and supportive services.

## **PHA Policy**

The ECC/HANH's FSS program, through its partners on the PCC, will provide the following activities and support services to FSS families:

## 4-III.D. CERTIFICATION OF COORDINATION [24 CFR 984.201(D)(12)]

The FSS action plan is required to contain a certification that the development of the activities and services under the FSS program has been coordinated with the JOBS program (now Welfare to Work under TANF), the programs under title I of the Workforce Innovation and Opportunity Act, and any other relevant employment, childcare, transportation, training, and education programs in the applicable area. The implementation of the FSS program's activities and services must continue to be coordinated as such to avoid duplication of activities and services.

## PHA Policy

The **ECC/HANH** certifies that its FSS program has developed its services and activities in coordination with programs under Title I of the Workforce Innovation and Opportunity Act, Workforce Investment Board and American Job Centers (*also known CT Workforce Alliance*), and any other relevant employment, childcare, transportation, training, and education programs in the applicable area. The implementation of these activities and services will continue to be coordinated the FSS Program management and PCC in this manner to avoid duplication of activities and services.

## **Chapter 5**

#### CONTRACT OF PARTICIPATION

#### INTRODUCTION

Each family that is selected to participate in an FSS program must enter into a contract of participation with the PHA. This contract, which is signed by the head of the FSS family, sets forth the principal terms and conditions governing participation in the FSS program, including the rights and responsibilities of the FSS family and of the PHA, the services to be provided to the head of the FSS family and each adult member of the family who elects to participate in the program, and the activities to be completed by them. The contract also incorporates the individual training and services plan [24 CFR 984.303].

This chapter contains two parts:

<u>Part I: Overview and Family Obligations:</u> This part provides an overview of the form and content of the contract of participation and describes what the contract requires of FSS families.

<u>Part II: Contract Specifications:</u> This part explains the specifications of the contract, including terms and conditions, contract modification, contract terminations, and grievance procedures.

## PART I: OVERVIEW AND FAMILY OBLIGATIONS

#### 5-I.A. OVERVIEW

The purpose of the FSS contract of participation is to set forth the principal terms and conditions governing participation in the FSS program, including the incorporation of the individual training and services plan (ITSP) as part of the contract's required contents. The ITSP is meant to establish goals the FSS family will meet along the family's way to completing the contract and becoming self-sufficient. In addition to the goals specified in the ITSP, the contract also lists the responsibilities of the family and the PHA. This part covers the ITSP as part of the required contents of the contract of participation, and the family's obligations under the contract.

#### 5-I.B. CONTENTS OF THE CONTRACT OF PARTICIPATION

#### **Individual Training and Services Plan**

There will only ever be one FSS contract of participation (CoP) at any time for each FSS family. As part of the required contents of the FSS contract of participation (CoP), the individual training and services plan (ITSP) establishes specific interim and final goals by which the PHA and the family measure the family's progress toward fulfilling its obligations under the contract of

participation and becoming self-sufficient. Interim and final goals will differ depending on the family's individual needs. Regulations require the establishment of a final goal that includes both employment for the head of the FSS family and independence from welfare assistance for all family members regardless of age.

## Interim Goals [24 CFR 984.303(b)(2)]

PHA's must work with each participant to establish realistic and individualized goals and may not include additional mandatory goals or mandatory modifications of the two mandatory goals. Individual Training and Service Plans for Other than FSS Head [24 CFR 984.103]

An individual training and services plan is required for the head of the FSS family and all adults choosing to participate. ITSPs must be prepared for each adult family member participating. ITSPs are prepared by the PHA, in consultation with the participating family member [Notice PIH 93-24, G-16.

#### 5-I.C. FAMILY OBLIGATIONS

## Compliance with Lease Terms [24 CFR 984.303(b)(3)]

One of the obligations of the FSS family according to the contract of participation is to comply with the terms and conditions of the Section 8 or public housing lease.

Inability to comply with the lease represents an inability to comply with the contract, therefore regulations regarding noncompliance with the FSS contract apply [see 24 CFR 984.303(b)(5)]. It is up to the PHA to determine the plan of action for FSS families found in noncompliance with the lease and how the PHA will precisely define the term comply with the lease. All considerations allowed for other assisted residents regarding violations of the lease, must also be allowed for FSS participants.

## **PHA Policy**

The **ECC/HANH** will define *comply with the lease* to mean the FSS family has not been evicted for repeated or serious violations of the lease as defined in the Section 8 Administrative Plan and public housing Admissions and Continued Occupancy Policy; or if they have been evicted for repeated and serious violations of the lease, the family has pursued their right to grieve, and the family has prevailed in either the grievance hearing or the informal hearing process.

The ECC/HANH's FSS program may terminate the FSS CoP for failure to comply with the terms of the lease.

## Employment Obligation [24 CFR 984.303 (b)(4)]

Another obligation set forth by the contract of participation is for the head of the FSS family to seek and maintain suitable employment during the term of the contract and any extension.

Although other members of the FSS family may seek and maintain suitable employment during the term of the contract, it is only a requirement for the head of the FSS family.

The obligation for the head of the FSS family to seek employment is defined in the regulatory language as meaning that the head of the FSS family has searched for jobs, applied for employment, attended job interviews, and has otherwise followed through on employment opportunities.

With the agreement of the FSS family member, the PHA makes a determination of what it means to maintain suitable employment based on the skills, education, and job training of the FSS head of household, receipt of other benefits of the family member, and the available job opportunities within the jurisdiction served by the PHA. This means that the PHA must consult with the family member and agreement must be reached as to what maintain suitable employment is for that family member [24 CFR 984.303 (b)(4), Notice PIH 93-24, G-3].

#### PHA Policy

For purposes of the **ECC/HANH's** FSS program, *seek employment* means the FSS head of household has applied for employment, attended job interviews, and otherwise followed through on employment opportunities as outlined in the ITSP of their CoP.

*Maintain suitable employment* is defined as employment, on the last day of the contract, that is outlined in the ITSP and is based on the skills, education, job training, and receipt of other benefits of the head of the FSS family. The ECC/HANH will require verification of said employment.

## 5-I.D. CONSEQUENCES OF NONCOMPLIANCE WITH THE CONTRACT

Consequences apply for families who do not meet the terms and conditions of the FSS program contract. The regulations require that the contract of participation specify that if the FSS family fails to comply, without good cause, with the terms and conditions of the contract (including compliance with the Section 8 or public housing lease), the PHA may:

- Withhold supportive services
- Terminate the family's participation in the FSS program

PHA's are not permitted to terminate a family's housing assistance due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

#### PHA Policy

The CoP will be terminated before the expiration of the contract term if the participant fails to meet, without "good cause," their obligations as outlined in the CoP. If the participant fails to meet its obligations outlined in the CoP, the FSS Program Coordinator(s), or their

designee, will first meet with the family to reassess the need for supportive services or a change in the ITSP.

FSS Program Coordinator(s) will use this reassessment to identify and refer to resources that remove the barriers, so the participant is able to meet their obligations outlined in the CoP.

If neither of these alternatives (*reassessment and referral*) is successful, the FSS Program Coordinator(s) will terminate the CoP for failure to complete the tasks, interim goals, or final goals of the ITSP in a timely manner, and thus failure to complete the obligations outlined in the CoP.

The FSS Program Coordinator(s) will make an exception to the actions in terminating the CoP if the participant can, with the assistance of the FSS Program Coordinator(s), demonstrate "good cause" for the failure to meet its obligations as outlined in the CoP.

For purposes of the ECC/HANH's FSS program, *good cause* includes circumstances beyond the control of the FSS family:

#### Family circumstances

- Death in the family
- Serious illness
- Medical emergency
- Mandatory court appearances
- Involuntary loss of employment
- Loss of head of household through death, incarceration, or removal from lease

#### Community circumstances

- Significant reduction in workforce
- Significant interruption in service delivery
- Provider noncompliance with regulation
- Provider unable or unwilling to provide service

## Active pursuit of a current or additional self-sufficiency goal

- Change in the ITSP demonstrating improvement/progress toward economic self-sufficiency
- Resolution of a barrier to employment
- Completion of a college degree or technical training
- Completion of a work-related certification
- Credit repair towards homeownership readiness

#### PART II: CONTRACT SPECIFICATIONS

#### 5-II.A. OVERIVEW

In addition to making clear the family's obligations under the program, the contract of participation contains specific terms and conditions, including those governing contract modifications, terminations, and grievance procedures. This part describes those specifications and associated policy.

## 5-II.B. CONTRACT TERM [24 CFR 984.303(c)]

The contract term is five years. This means that the family has no more than five years from the effective date of the contract of participation (CoP) to fulfill their obligations as specified in the contract. This five-year term requirement will be specified in the CoP.

## Contract Extension [24 CFR 984.303(d)]

While the term set forth in the contract of participation is for five years, contract extensions are available. According to regulation, PHA's must for "good cause" extend the term of the contract for a period not to exceed two years for any FSS family that requests an extension of the contract in writing or verbally. The family's written or verbal (documented by the FSS Program Coordinator(s)) request for an extension must include a description of the need for the extension. Good cause means circumstances beyond the control of the FSS family, as determined by the PHA, such as a serious illness or involuntary loss of employment (further defined by PHA policy in Section 5-I.D.). Extension of the contract of participation will entitle the FSS family to continue to have amounts credited to the family's FSS account.

#### PHA Policy

The ECC/HANH's FSS program may allow FSS families, upon request, to obtain an extension to the FSS program CoP in one-year increments not to exceed two years.

FSS families must request a program extension within no less than three months prior to the expiration of the CoP.

#### 5-II.C. MODIFICATION OF THE CONTRACT

The contract of participation (CoP) may be modified, as long as the PHA and the FSS family mutually agree to modify it. This includes modifications in writing with respect to the individual training and services plans (ITSPs), the contract term (See Section 5-II.B. above), and designation of the head of the family [24 CFR 984.303(f)]. The conditions under which the PHA will modify the contract are set forth in the policy below.

## **PHA Policy**

In the ECC/HANH's FSS program, the CoP will be modified by mutual agreement between the ECC/HANH and the FSS head of household:

When modifications to the ITSP improve the participant's ability to complete their obligations in the CoP or progress toward economic self- sufficiency.

When the actual end date of the CoP is determined by the effective date of the FSS family's first reexamination.

When the designated head of the FSS family ceases to reside with other family members in the assisted unit, and the remaining family members, designate another family member to be the FSS head of household and receive escrow funds.

When an FSS family moves to the jurisdiction of a receiving PHA that does not have an FSS program and the family may not continue participation in the **ECC/HANH's** FSS program, and modification of the FSS contract will allow the family to complete the contract and receive an escrow disbursement or terminate the contract with escrow disbursement.

#### 5-II.D. COMPLETION OF THE CONTRACT

By regulation, the contract of participation is considered to be completed when the head of the FSS family is employed and the FSS family has fulfilled all of its obligations under the contract of participation, including all family members' ITSPs, on or before the expiration of the contract term, including any extension thereof.

Policies on verifying completion of the contract of participation can be found in Section 6-I.C. of this action plan.

#### 5-II.E. TRANSITIONAL SUPPORTIVE SERVICE ASSISTANCE

Even after a family has completed the contract of participation, a PHA may continue to offer appropriate FSS supportive services to a former completed FSS family. If the family still resides in Section 8 or public housing, these supportive services would be offered for becoming self-sufficient. If the family no longer resides in Section 8 or public housing, these supportive services would be offered for becoming self-sufficient or remaining self-sufficient. Transitional services for families who no longer reside in Section 8 or public housing, may only be offered using sources that are not HUD funds or HUD restricted funds [24 CFR 984.303(j)].

#### PHA Policy

The **ECC/HANH** will continue to offer supportive services to a former FSS family who has completed its CoP.

#### 5-II.F. TERMINATION OF THE CONTRACT

## Termination of the Contract with Escrow Distribution [24 CFR 984.303(k)]

The contract of participation will be terminated with escrow distribution before the expiration of the contract term, during any extension of the contract, or at end of the term of the contract if all obligations under such have not been met, when:

- Services that the PHA and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency are unavailable, as described in Section 5-II.H. of this Action Plan. This type of termination is also referred to as "nullification" in the FSS regulations at 24 CFR 984.
- The head of the FSS family becomes permanently disabled and unable to work during the period of the contract, unless the PHA and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family; or
- An FSS family in good standing moves outside the jurisdiction of the PHA (in accordance with
  portability requirements at 24 CFR 982.353) for good cause and continuation of the CoP after
  the move or completion of the CoP prior to the move is not possible. PHA's must be consistent
  in their determinations of whether a family has good cause for a termination with FSS escrow
  disbursement.

## Termination of the Contract without Escrow Distribution [24 CFR 984.303(h)]

The contract of participation may be terminated before the expiration of the contract term and any extension of the contract by the following:

- Mutual consent of the parties
- Failure of the FSS family to meet its obligations under the CoP without good cause, including in a Section 8 FSS program the failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA
- The family's withdrawal from the FSS program
- Such other act as is deemed inconsistent with the purpose of the FSS program
- Operation of law

#### PHA Policy

The CoP will be terminated before the expiration of the contract term, and any extension thereof, for any of the following reasons:

Mutual consent of the parties.

Family's withdrawal from the FSS program.

Failure of the FSS family to meet its obligations under the CoP without good cause. *Good cause* for the purposes of the FSS program is also defined in Section 5-I.D. of this Action Plan.

Such other act as is deemed inconsistent with the purpose of the FSS program.

Operation of law.

The head of the FSS family becomes permanently disabled and other family members will not participate in FSS as the head of the FSS family. In a Section 8 FSS program, failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA under portability without continued FSS participation.

If the FSS family faces termination due to failing to meet, without good cause, its obligations under the CoP, the PHA will follow the relevant policy specified in Section 5-I.D. of this action plan.

*Note:* If the family is unable to meet the requirements of the contract of participation because essential services are not available, the contract is nullified, not terminated.

In addition, the contract of participation is automatically terminated if the family's Section 8 assistance is terminated in accordance with HUD requirements [24 CFR 984.303(h)].

## 5-II.G. OPTION TO WITHHOLD SUPPORTIVE SERVICE [24 CFR 984.303(b)(5)(i)]

As touched upon in Section 5-I.D. of this action plan, the PHA has the option to withhold supportive services or the FSS family's participation in the FSS program if the PHA determines that the FSS family has failed to comply without good cause with the requirements of the contract of participation.

PHA's are not permitted to terminate Section 8 assistance to a family due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

# 5-II.H. PHA OBLIGATION TO MAKE GOOD FAITH EFFORT TO REPLACE UNAVAILABLE SUPPORT SERVICES [24 CFR 984.303(e)]

PHA s must make an extensive good faith effort to replace services that community agencies either cannot or will not provide. If all of the steps below are exhausted without the provision of an integral service, the contract of participation can be ended ahead of time as a result. This, however, should only occur as a last resort. The PHA's good faith effort must be demonstrated by taking the following steps:

- If a social service agency fails to deliver the supportive services pledged under an FSS family member's individual training and services plan (ITSP), the PHA must make a good faith effort to obtain these services from another agency.
- If the PHA is unable to obtain the services from another agency, the PHA must reassess the family member's needs and determine whether other available services would achieve the same purpose.
- If other available services would not achieve the same purpose, the PHA shall determine whether the unavailable services are integral to the FSS family's advancement or progress toward self-sufficiency.
- If the unavailable services are not integral to the FSS family's advancement toward self-sufficiency, the PHA must revise the ITSP, delete these services, and modify the contract of participation to remove any obligation on the part of the FSS family to accept the unavailable services.
- If the unavailable services are determined to be integral to the FSS family's advancement toward self-sufficiency (which may be the case if the affected family member is the head of the FSS family), the PHA shall terminate the contract of participation and follow the requirements in Section 5-II.F. of this Action Plan.

Termination of the contract of participation based on unavailability of supportive services shall never be grounds for termination of Section 8 or public housing assistance.

#### **PHA Policy**

The ECC/HANH will make a good faith effort to obtain/replace supportive services pledged under an FSS family member's ITSP if a social service agency fails to deliver these.

The **ECC/HANH** will reassess the family member's needs and determine whether other available services would achieve the same purpose of the initial social service agency.

The ECC/HANH will determine if the other local available services would not achieve the same purpose, and if the unavailable social services are integral to the FSS family's progress toward self-sufficiency.

The **ECC/HANH** will revise the ITSP, delete non-integral services, and modify the CoP to remove family obligations as a result of unavailable social services.

The **ECC/HANH** shall terminate the CoP and follow the requirements in Section 5-II.F. of this Action Plan if the unavailable social services are determined to be integral to the family's progress toward self-sufficiency.

#### 5-II.I. GRIEVANCE PROCEDURES

When adverse action is taken by the PHA against a family, the PHA is required to provide a grievance hearing in the public housing program, or an informal hearing in the Section 8 program [24 CFR 966 subpart B, 24 CFR 982.554].

According to regulatory requirements, the FSS action plan must contain the grievance and hearing procedures available for FSS families against whom the PHA has taken adverse action with regards to FSS [24 CFR 984.201(d)(9)].

## **PHA Policy**

The grievance and informal hearing procedures for the FSS program will be the same as the grievance and hearing procedures adopted for the Section 8 and public housing programs in the ECC/HANH's admissions and continued occupancy policy and administrative plan, respectively. [page 16-19, The Housing Choice Voucher Administrative Plan, June 2022].

Adverse actions taken within the FSS program include:

Denial of admission into the FSS program

Denial of request to change the head of household

Denial of request for interim disbursement of the escrow account

Denial of request to complete the CoP

Denial of a request for extension to the FSS CoP

Denial of request for either interim or final distribution of escrow account

Withholding of support services

Termination of the FSS CoP

Denial of request for termination with escrow distribution

## Chapter 7

#### PORTABILITY IN SECTION 8 FSS PROGRAMS

#### INTRODUCTION

PHA's operating Section 8 FSS programs must be familiar with the rules and regulations regarding portability under the Section 8 program. As with the case of portability in the Section 8 program in general, the FSS family may move outside the initial PHA jurisdiction under portability procedures after the first 12 months of the FSS contract of participation [24 CFR 984.306].

In the event that an FSS family chooses to exercise portability, certain special requirements regarding the FSS program would apply. This chapter describes the obligations of the initial PHA, the receiving PHA, and the FSS family under portability, in addition to any special stipulations regarding portability in the FSS context.

This chapter contains two parts:

<u>Part I:</u> Portability in the FSS Program: This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

<u>Part II:</u> The Effects of Portability on FSS Regulations and Policy: This part describes the specific ways in which portability affects different aspects of the FSS program, including the escrow account, program termination, loss of the FSS account, and termination of Section 8 program assistance.

#### PART I: PORTABILITY IN THE FSS PROGRAM

#### 7-I.A. OVERVIEW

Portability is a statutory feature of the Section 8 program—it is included in the law. As such, PHA's operating a Section 8 FSS program need to understand the effects that portability will have on Section 8 FSS families and program operation. This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

#### 7-I.B. DEFINITIONS

For the purposes of portability with regards to the FSS program, the following definitions will be used [24 CFR 982.4, 24 CFR 984.306].

- *Initial PHA* means both:
  - 1. A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and

- 2. A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.
- Receiving PHA means a PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA either absorbs the family into its program, including issuing a voucher and providing rental assistance to the family, or bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher.
- *Relocating FSS Family* refers to an FSS family that moves from the jurisdiction of a PHA at least 12 months after signing its contract of participation.

## 7-I.C. RESIDENCY REQUIREMENTS

Families participating in a Section 8 FSS program are required to lease an assisted unit within the jurisdiction of the PHA that selected the family for the FSS program for a minimum period of 12 months after the effective date of the contract of participation. However, the initial PHA may approve a family's request to move outside its jurisdiction under portability during this period if the move is in accordance with the regulations at 24 CFR 982.353 [24 CFR 984.306(a)(1)].

## **PHA Policy**

The PHA will approve a family's request to move outside its jurisdiction under portability after the first 12 months of the effective date of the CoP if the move is in accordance with the regulations for such moves at 24 CFR 982.353.

After the first 12 months of the FSS contract of participation, the FSS family may move outside the initial PHA jurisdiction under portability procedures regardless of PHA approval [24 CFR 984.306(a)(2)].

#### 7-I.D. PORTABILITY REQUIREMENTS FOR FSS PARTICIPANTS

## Receiving PHA Administers an FSS Program [24 CFR 984.306(b)]

Whether the receiving PHA bills the initial PHA or absorbs the FSS family into its Section 8 program, the receiving PHA must enroll an FSS family in good standing in its FSS program. However, if the receiving PHA is already serving the number of FSS families identified in its FSS Action Plan and determines that it does not have the resources to manage the FSS contract, or the receiving PHA and the initial PHA may agree to the FSS family's continued participation in the initial PHA's FSS program. Prior to the PHA's agreeing to the continued participation, the initial PHA must determine that the relocating FSS family has demonstrated that, notwithstanding the move, it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

## **PHA Policy**

The ECC/HANH, as the initial housing authority, will agree to the participant's continued participation in their FSS program as long as the relocating family has demonstrated, with the assistance of the FSS Program Coordinator(s), that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

Where continued FSS participation is not possible, the initial PHA must clearly discuss the options that may be available to the family. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

## **PHA Policy**

The ECC/HANH will clearly discuss the options that are available to the family where continued FSS participation is not possible. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

## Receiving PHA Does Not Administer an FSS Program [24 CFR 984.306(c)]

If the receiving PHA does not administer an FSS program, the FSS family may not continue participation in the FSS program. The initial PHA must clearly discuss the options that may be available to the family, depending on the family's specific circumstances, which may include, but are not limited to, modification of the FSS contract, termination with FSS escrow disbursement in accordance with § 984.303(k)(1)(iii), termination of the FSS contract and forfeiture of escrow, or locating a receiving PHA that administers an FSS program.

#### **PHA Policy**

ECC/HANH learly discuss the options that are available to the family where the receiving PHA does not administer an FSS program. Depending on the family's specific circumstances, these options include modification of the FSS contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

#### **Single Contract of Participation**

If the FSS family enrolls in the receiving PHA's FSS program, the receiving PHA will enter a new contract with the FSS family for the term remaining on the contract with the initial PHA.

The initial PHA will end its contract with the family.

If the FSS family remains in the FSS program of the initial PHA, pursuant to this section, the contract executed by the initial PHA will remain as the contract in place.

## **Termination of FSS contract and Forfeiture of Escrow Account [984.306(e)]**

If an FSS family relocates to another jurisdiction and is unable to fulfill its obligations under the contract, including any modifications, the PHA, which is a party to the contract, must terminate the FSS family from the FSS program. The family's FSS escrow account will be forfeited.

Termination of FSS program participation and forfeiture of FSS escrow must be used only as a last resort after the PHA determines, in consultation with the family, that the family would be unable to fulfill its obligations under the contract after the move, that locating another receiving housing authority with a FSS program is not possible, that the current contract cannot be modified to allow for completion prior to porting, and that the current contract cannot be terminated with FSS escrow disbursement. When termination is the only option, the PHA must clearly notify the family that the move will result in the loss of escrow funds. The PHA must follow its policy for clearly notifying the FSS family of the forfeiture.

#### PHA Policy

**ECC/HANH** ill notify the family via written notification that the move (*portability*) will result in the forfeiture of escrow funds and program termination if an FSS family relocates to another jurisdiction and is unable to fulfill its obligations under the CoP including any modifications thereof. Policies as defined in Chapter 7 to be followed.

## 7-I.E. NEW FSS ENROLLMENT INTO RECEIVING PHA'S FSS PROGRAM

## Administering and Billing of the Voucher

If the receiving PHA bills the initial PHA, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program, but only if the initial PHA manages an FSS program and agrees to such enrollment. If the receiving PHA bills the initial PHA, but the initial PHA does not manage an FSS program, the family may not enroll in the receiving PHA's FSS program.

## PHA Policy

The ECC/HANH will clearly discuss the options that are available to the family where continued FSS participation may be possible upon relocation to ECC/HANH's jurisdiction if the initial PHA manages an FSS program. The ECC/HANH will not enroll families in the FSS program if the initial PHA does not manage an FSS program.

## **Absorption of the Voucher**

If the receiving PHA absorbs the family into its Section 8 program, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program.

#### PHA Policy

The ECC/HANH will enroll absorbed Section 8 families into the FSS Program that were not an FSS participant at the initial PHA consistent with ECC/HANH's FSS program enrollment policies.

#### **PART II: REPORTING**

#### 7-II.A. OVERVIEW

Each PHA that carries out an FSS program shall submit to HUD, in the form prescribed by HUD, a report regarding its FSS program.

## 7-II.B. CONTENTS OF THE FSS REPORT [24 CFR 984.401]

The report submitted to HUD must include a description of the activities carried out in the FSS program; a description of the effectiveness of the program in assisting families to achieve economic independence and self-sufficiency, including the number of families enrolled and graduated and the number of established escrow accounts and positive escrow balances; a description of the effectiveness of the program in coordinating resources of communities to assist families to achieve economic independence and self-sufficiency; and any recommendations by the PHA or the appropriate local Program Coordinating Committee for legislative or administrative action that would improve the FSS program and ensure the effectiveness of the program.

## 7-II.C. FAMILY SELF-SUFFICIENCY GRANT PROGRAM REVIEW PHA SELF-ASSESSMENT

HUD provides a detailed checklist for PHA's to conduct their own self-assessment of their FSS program. The form is administered by the local field office and allows each PHA to gather concrete and comprehensive data covering aspects of the program from FSS Action Plans and Composite Scores through FSS program size, participants, and graduations to reductions in FSS grants and current Memoranda of Agreement with community partners. The detailed example of the FSS Self-Assessment is available at HUD's FSS Resource page, which can be located by searching "HUD FSS" on any browser.
