OUR MISSION

At CT BEDS, we believe a bed is more than furniture — it's safety, rest, and a chance to breathe.

Every day, families across Connecticut face nights on the floor, on couches, or in unsafe conditions that chip away at their stability and well-being. We exist to change that.

Our mission is to deliver dignity through safe sleep. A warm bed provides comfort, structure, and the foundation for better days. When a child sleeps safely, they can grow. When a parent sleeps comfortably, they can focus, work, and rebuild. Rest is healing — and everyone deserves access to it.

Through strong partnerships with organizations like yours, we identify families with the greatest need and ensure they receive high-quality beds, bedding, and sleep essentials at no cost. We handle delivery, setup, and support so your team can stay focused on serving your community.

One bed at a time, we bring comfort, stability, and hope back into the home.

Vist our website for downloable forms and more information.

ABOUT US

CT BEDS is a family-led 501(c)(3) nonprofit organization proudly based right here in Connecticut. We live here, we raise our family here, and we've experienced our share of difficult times. We know what it feels like to struggle and how life-changing it can be to feel seen, supported, and cared for. That's why we started CT BEDS—to bring hope, comfort, and dignity to those facing some of life's hardest moments.

WHAT WE DO

We provide brand-new beds completely free of charge to children, women, and men across Connecticut who are experiencing difficult transitions. Whether someone is moving out of homelessness, aging out of foster care, fleeing domestic violence, or someone who doesn't have a bed because of hardships, CT BEDS is here to do more than just drop off a bed—we're here to offer a fresh start.

CT BEDS is 100% funded by the people, for the people, and every act of kindness—whether it's a donation, a shared post, or a delivered bed—helps us bring peace, rest, and healing to someone who truly needs it. We don't just serve Connecticut—we are Connecticut. And together, we're restoring lives one bed at a time.
